

ABOUT THE COLLEGE

Kongu Engineering College, one of the foremost multi professional research – led Institutions is internationally a recognized leader in professional and career – oriented education. It provides an integral, inter-disciplinary education-a unique intersection between theory and practice, passion and reason. The college offers 17 UG programmes, 7 PG programmes and 20 research programmes in Engineering and Applied Sciences. This institute is a great possession of the committed Trust called “The Kongu Vellalar Institute of Technology Trust “in Erode District, Tamil Nadu. The noble Trust has taken the imparting value based education for men and women. Affiliated to Anna University, Chennai, the college has completed more than four decades of dedicated service to the people of India and abroad in the field of technical education. The institution has an area of 167 acres of land richly endowed with beautiful greeneries. The college with its state-of-the-art infrastructural facilities and excellent academic records has earned recognition 101-150 band in NIRF, MHRD Govt. of India ranking 2025 and accredited by NAAC with highest grade A++.

ABOUT THE DEPARTMENT

The Department of Chemistry was established in 1984 and is equipped with the latest facilities. The total faculty strength in the Department is 16, out of whom 13 are Doctorates. The Department is recognized as a Research Centre and it provides research facility leading to the award of degree of Doctor of philosophy. Separate research labs and testing centre are established to extend its facility to nearby industries through consultancy work in the field of water testing, heavy metal determination, analysis of food products etc. Two UGC & DST funded major and one minor research projects were completed.

ABOUT THE PROGRAMME

Nanotechnological products, processes and applications are expected to contribute significantly to environmental and climate protection by saving raw materials, energy and water as well as by reducing greenhouse gases and hazardous wastes. Using nanomaterials promises certain environmental benefits and sustainability effects.

Applications of chemical science have been contributed significantly to the advancement of human civilization. They synthesized crop-enhancing agricultural chemicals to ensure a constant and viable food supply. They played a significant role in the eradication of deadly diseases by developing life-saving pharmaceuticals and chemical pesticides. Chemists also developed innovative plastics and synthetic fibers and organic electronic materials to use in both industrial and consumer products.

This seminar includes invited lectures by renowned scientists and researchers on new advancements related to chemical and nanosciences.

THRUST AREA

- + Nanochemistry
- + Environmental Science
- + Organic Synthesis
- + Medicinal Chemistry
- + Pharmaceutical Chemistry
- + Computational Chemistry & Molecular Imaging
- + Drug Discovery & Development
- + Natural Products & Heterocyclic Chemistry
- + Materials Science

**ASSOCIATION OF CHEMISTRY TEACHERS
SPONSORED**

**SECOND NATIONAL SEMINAR
ON**

**ENVIRONMENTAL APPLICATIONS OF
CHEMICAL AND NANOSCIENCES
(EACN – 2026)**

31st JANUARY 2026

Organizing Secretary

Dr. P. Manikandan

**Senior Associate Professor & Head
Department of Chemistry**

Convenor

Dr. S. Sathishkumar

Co-convenors

Dr.S.Nirmaladevi

Mr.K. Prabhakaran

Organized by

**Department of Chemistry
Kongu Engineering College
(Autonomous)**

**ASSOCIATION OF CHEMISTRY TEACHERS
SPONSORED**

**SECOND NATIONAL SEMINAR
ON**

**ENVIRONMENTAL APPLICATIONS OF
CHEMICAL AND NANOSCIENCES
(EACN – 2026)**

31st JANUARY 2026

REGISTRATION FORM

Name:

Age & Gender: M/F

Designation:

Organization:

Mailing Address:

.....

Email:

Phone:

Registration Fee: Rs.....

Name of the Bank:

D.D.No & Date:

Place:

Date:

Registration link & QR code:
<https://forms.gle/xsHHvYEe3Aro3UAk7>

DECLARATION

The above information is true to the best of my knowledge. I agree to abide by the rules and regulations governing the seminar. If selected, I shall attend the seminar for the whole day. I also undertake the responsibility of informing the Convener if I am unable to attend the seminar.

Place:

Date:

Signature of the
Applicant

**CERTIFICATE FROM HEAD OF THE
INSTITUTION**

Mr./Ms./Dr. _____
is an employee of our Institute / Organization
and he / she is permitted to attend the seminar
for the whole day, if selected.

Place:

Date:

Signature of
Head of the Department/ Institute

Application form completed in all respects is to
be sent to:

Dr. S. Sathishkumar
Convener
EACN-2026
Department of Chemistry
Science & Humanities
Kongu Engineering College (Autonomous)
Perundurai, Erode – 638 060, Tamilnadu

RESOURCE PERSONS

Sessions will be handled by experienced academicians and researchers from various institutions and Kongu Engineering College.

ELIGIBILITY FOR PARTICIPANTS

Faculties, research scholars and UG/PG students from various educational institutions, industries and R & D organizations with relevant background.

Important Dates

Submission of filled registration
form with DD:

22-01-2026

REGISTRATION FEE

Faculty members/academician Rs. 300/-
Research scholars/students Rs. 100/-
(Full time) (UG & PG)

Full time research scholars should bring
identity card (or) letter from their research
supervisor.

The registration fee should be paid as DD
drawn in favour of The Principal Kongu
Engineering College .

(Photocopies of the registration form may be
used)

BOARDING AND LODGING

Boarding and lodging will be provided to the
selected candidates in the college campus with
accommodation fee.

LOCATION

The college is located at Perundurai on the
National Highway (NH 47) about 80 km from
Coimbatore and 20 km from Erode. It is well
connected by road and rail.
