

## **BE/BTech Admission 2026-27 (TNEA Category)**

### **Student Application Registration Procedure in Linways**

Students need to complete the following steps.

- Visit the url <https://kec.linways.com/v4/adm-applicant/login>
- Use the student's email ID. If the student does not have an email ID, create a Gmail id. The email id should be professional and with student name
- Create a new user by selecting the **Register** option using a Gmail ID.  
**[Refer to the demo video on Page 2]**
- After registration, you will be redirected to the applicant page, or you may log in using the password sent to the registered email ID.

- Click the **2026 UG** and click the application  
**First Year BE/BTech Admission 2026-2027**
- Select admission category as **GOVERNMENT**
- Fill the application form and take print while coming to college

Keep the following documents ready before starting the registration process.

| S.No | Content                                                     | File type        | File size   |
|------|-------------------------------------------------------------|------------------|-------------|
| 1    | Student Passport size Photo<br>Background color: Red / Blue | Image (jpg/jpeg) | within 1 MB |
| 2    | Student signature                                           | Image (jpg/jpeg) | within 1 MB |
| 3    | Student Aadhaar card                                        | Image (jpg/jpeg) | within 1 MB |
| 4    | 10 <sup>th</sup> Mark sheet                                 | PDF              | within 1 MB |
| 5    | 11 <sup>th</sup> Mark sheet (if available)                  | PDF              | within 1 MB |
| 6    | 12 <sup>th</sup> Mark sheet                                 | PDF              | within 1 MB |
| 7    | Community Certificate                                       | PDF              | within 1 MB |

Steps to be followed to complete the admission process:

|                                                                                                                                      |                                                                                                                                                                                                                                           |
|--------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Step 1 – Login Creation                                                                                                              | <a href="https://youtu.be/MsK8aePqGpg">https://youtu.be/MsK8aePqGpg</a>                                                                                                                                                                   |
| Step 2 - Account Creation                                                                                                            | <a href="https://youtu.be/bBSLnw6e00w">https://youtu.be/bBSLnw6e00w</a>                                                                                                                                                                   |
| Step 3 - Category Selection                                                                                                          | <a href="https://youtu.be/5Le8W18Djzo">https://youtu.be/5Le8W18Djzo</a><br>TNEA allotted students select <b>GOVERNMENT</b> option<br>Click the <b>2026 UG</b> and click the application<br><b>First Year BE/BTech Admission 2026-2027</b> |
| Step 4 – Personal Details Entry Page                                                                                                 | <a href="https://youtu.be/KqFSTp6SpXU">https://youtu.be/KqFSTp6SpXU</a>                                                                                                                                                                   |
| Step 5 – Education Details                                                                                                           | <a href="https://youtu.be/W-UQggXhWsg">https://youtu.be/W-UQggXhWsg</a>                                                                                                                                                                   |
| Step 6 – Cutt off calculation                                                                                                        | <a href="https://youtu.be/roD0pz27IEY">https://youtu.be/roD0pz27IEY</a>                                                                                                                                                                   |
| Step 7 – TNEA Details                                                                                                                | <a href="https://youtu.be/-iHjaHvr5wQ">https://youtu.be/-iHjaHvr5wQ</a>                                                                                                                                                                   |
| Step 8 – Proof submission                                                                                                            | <a href="https://youtu.be/mF1Mey642Wg">https://youtu.be/mF1Mey642Wg</a>                                                                                                                                                                   |
| Step 9 – Edit and Verify the application                                                                                             | <a href="https://youtu.be/Aezv8YnNuEQ">https://youtu.be/Aezv8YnNuEQ</a>                                                                                                                                                                   |
| Step 10– Final Submission                                                                                                            | <a href="https://youtu.be/topYp7qv0YY">https://youtu.be/topYp7qv0YY</a>                                                                                                                                                                   |
| <i>Note: Once submitted, the application cannot be edited. For any corrections, please mention them during the admission process</i> |                                                                                                                                                                                                                                           |
| Step 11- Print the application                                                                                                       | <a href="https://youtu.be/xmC_zg9mY0c">https://youtu.be/xmC_zg9mY0c</a>                                                                                                                                                                   |
| Full Play list                                                                                                                       | <a href="https://youtube.com/playlist?list=PL6yWT5a-OCVpydxbrQih_bVONT1KcyyRG&amp;si=awiHlbLnzPcyNUo8">https://youtube.com/playlist?list=PL6yWT5a-OCVpydxbrQih_bVONT1KcyyRG&amp;si=awiHlbLnzPcyNUo8</a>                                   |
