

OBJECTIVE:

The workshop equips participants with hands-on experience, enabling them to create insightful dashboards and reports that drive data-driven decision-making within their organizations. It masters the participants to create robust and efficient data models for enhanced analytics. The workshop also helps to know about techniques to integrate data from multiple sources into Power BI for a unified view of business information. It helps to learn how to create compelling and interactive data visualizations to effectively communicate insights. It makes us to understand the process of designing and building insightful reports that facilitate data analysis. The workshop also harnesses the power of Power BI to extract meaningful insights and make informed business decisions.

TRAINING CONTENTS:

- Accessing and Preparing Data
- Data Modeling and Exploration
- Data Integration
- Data Visualization techniques
- Data Insights and Analytics
- Making an App

TARGET AUDIENCE:

Faculty members and Research Scholars from academic institutes, personnel from R&D organizations and related industries.

FACULTY:

Sessions will be handled by Industry Expert.

BOARDING AND LODGING:

Boarding will be provided for the selected participants in the college campus on-demand basis.

REGISTRATION FEE:

Delegates from academic institutions,
research scholars, UG & PG students

: Rs. 300+18%=Rs.354
(including 18% GST)

The registration fee includes lunch and refreshment and pay to account number given in the below google form.

HOW TO APPLY:

The applicants should fill the google form using the link, <https://forms.gle/MnQWwysNtfzfAod6> for registration. As the seats are limited, the participants will be selected based on first come first serve basis for attending the training in physical mode.

SCHEDULED DATES

Last date for receipt of application : 19.01.2026
Intimation of selection : 20.01.2026
Confirmation by participant : 21.01.2026

APPLICATION FORM

Name :
Designation :
Organization :
Gender :
Age :
Educational Qualification :
Address for :
Communication

Mobile Number :
E-mail ID :
Experience :
Teaching : _____years
Others (Specify) : _____years

Need Accommodation : YES / NO

Signature :

DECLARATION

The above information is true to the best of my knowledge. I agree to abide by the rules and regulations governing the course. If selected, I shall attend the training for the entire duration. I also undertake the responsibility to inform the coordinators in case I am unable to attend the training.

Place:

Date:

Signature of the Applicant

SPONSORSHIP CERTIFICATE

Mr/Ms/Dr. _____

is an employee of our Institute / Organization and is hereby sponsored. He/She will be permitted to attend the training in full, if selected.

Place:

Signature of the Sponsoring Authority

Date:

Office Seal

Application form completed in all respects is
to be sent to:

ABOUT THE COLLEGE

Kongu Engineering College, a leading research oriented institution with excellent facilities, is run by Kongu Vellalar Institute of Technology Trust and was established in the year 1984. The Programmes of the institute are accredited by NBA and the institute is accredited by NAAC with A++ grade. It is an autonomous institution affiliated to Anna University, Chennai. It consists of 167 acres of land richly endowed with beautiful Greenland. The college has completed 40 years of dedicated and excellent service to the people of India and abroad in the field of Technical Education. The college offers 17 UG Programmes, 7 PG Programmes and 16 Research Programmes in Engineering, Applied Sciences and Management. The National Institutional Ranking Framework (NIRF) of the Ministry of Education has ranked Kongu Engineering College with in the band of 101 to 150 in engineering category for the year 2023. Kongu Engineering College also participated in 2023 NIRF Innovation ranking and is positioned in the band of 51 to 100 under this category. The institution has established Technology Business Incubator (TBI) supported by Department of Science and Technology, Government of India in its campus. TBI@KEC has won the National Award, for the best TBI in India, presented by President of India. The institution has received research grants amounting to Rs. 31.64 Crores from various funding agencies like AICTE, UG, DST, SIR, DIT, MNRE, ICSSR etc and has also executed industrial consultancy work to the tune of around Rs.7.11 Crores.

ABOUT THE DEPARTMENT

Computer Science and Design programme aims to develop graduate with computing tools and technology, along with the interactive design approaches and its technologies. The programme will prepare student to work in the IT industry as well as in design industry like virtual /augmented reality gaming, IoT, etc., which is used to control our environment.
