VISION

To be a centre of excellence for development and dissemination of knowledge in Applied Sciences, Technology, Engineering and Management for the Nation and beyond.

MISSION

We are committed to value-based Education, Research and Consultancy in Engineering and Management and to bringing out technically competent, ethically strong and quality professionals to keep our nation ahead in the competitive knowledge intensive world.

QUALITY POLICY**WE ARE COMMITTED TO:**

- Provide value-based quality education for developing the student as a competent and responsible citizen
- Contribute to the Nation and beyond through the state-of-the-art technology
- Continuously improving our services

KONGU ENGINEERING COLLEGE**PERUNDURAI, ERODE – 638 060**

Kongu Engineering College (KEC) is a premier Autonomous institution started in the year 1984 by The Kongu Vellalar Institute of Technology Trust. It is approved by All India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The college is accredited by NAAC with the highest grade of “A++”. The National Board of Accreditation (NBA), New Delhi, has accredited 12 courses. The National Institutional Ranking Framework (NIRF) of the Ministry of Education has ranked Kongu Engineering College in the band of 101–150 in the engineering category for the year 2025. The institution has several prestigious awards to its credit. The Institution received Tamil Nadu Green Champion Award 2021 from the Government of Tamil Nadu. KEC received AICTE SWACHH Campus Ranking 2019 (5th amongst the Cleanest Higher Educational Institution in India in the Category of Residential College - AICTE) by MHRD and the AICTE Most Clean Campus Award in India & AICTE Most Clean Campus Award in Southern Region, instituted by AICTE, for the year 2017. In honour of Kongu Engineering College for this achievement, two trees were planted in the Head Quarters of AICTE, New Delhi on 2nd October 2017.

KEC is located in a serene and sylvan atmosphere in Perundurai, near Erode in Tamil Nadu. The institution has a sprawling campus of 167 acres and a built-up area of 22.5 lakh sq. ft with state-of-the-art infrastructural facilities and an excellent academic track record. The institution offers 18 UG, 7 PG and 21 PhD/MS (Research) Programmes with student strength of more than 8900. To ensure quality education and effective skill development to the learners, 496 well experienced and dedicated members of faculty, of which 236 are PhD

holders and a well-trained group of 282 technical and supporting staff, are available for academic progression.

An air-conditioned RFID based central library, and the departmental libraries have a large stock of books and journals. Other facilities include the Kongu Convention Centre, a fully air-conditioned auditorium with a seating capacity of 4500, the Maharaja Auditorium (A/C) with a seating capacity of 600, 14 air-conditioned seminar halls located at departments, an Indoor Sports Auditorium with a Multi-station gym and a Food Court. On campus modern residential facilities to accommodate around 2600 Boys and 1600 Girls are available. Residential quarters with 62 apartments for faculty and 65 apartments for non-teaching staff are available on the campus. A well-defined and constantly upgraded curricular framework provides the best opportunities for students to acquire expertise and competence levels.

Research activities and Product Development are carried out in 21 centers of research in the institution. 35 patents have been granted and 143 have been published. The faculty members have published 7133 papers in Scopus indexed journals and 2123 papers in WoS indexed journals. The College citation index and h-index stand at 64297 and 92 respectively. The institution has received research grants amounting to Rs.34.52 crores from various funding agencies like AICTE, UGC, DST, CSIR, DIT, MNRE, ICSSR etc., and has also executed industrial consultancy work.

ORGANIZATION STRUCTURE

SECTION A – ACADEMIC GOVERNANCE POLICIES

Policy on Academic Regulation Curriculum Development and Revision Policy

HR Policy No.: KEC-A01

Effective Date: 01.04.2026

1. Policy Objective

To ensure that all academic programmes of Kongu Engineering College are designed, reviewed and updated systematically to remain relevant to academic standards, industry needs, regulatory requirements and societal expectations.

2. Scope & Applicability

This policy applies to:

- All Undergraduate, Postgraduate, and Doctoral programmes
- All academic departments and schools
- Faculty members involved in curriculum design and delivery
- Boards of Studies, Academic Council, and related committees

It covers:

- New programme introduction
- Curriculum revision and restructuring
- Course content, credits, and assessment alignment

3. Guiding Principles

Curriculum development at KEC shall be guided by:

- Outcome-Based Education principles
- Academic autonomy with accountability
- Industry relevance and employability focus
- Interdisciplinary learning and innovation

4. Governance & Authority

Board of Studies (BoS)

Functions of BoS:

- Prepare Curriculum and Syllabi for various courses keeping in view the objectives of the college, interest of the stakeholders and national requirement for consideration and approval of the Academic Council
- Suggest methodologies for innovative teaching, examination and evaluation procedure
- Approval for Value added and Online courses
- Suggest panel of names to for appointment of examiners
- Coordinate research, teaching, extension and other academic activities in the department/college.

Academic Council**Functions of the Academic Council:**

- Scrutinize and approve the proposals with or without modification of the Boards of Studies Minutes with regard to courses of study, academic regulations, curricula, syllabi and modifications thereof, instructional and examination & evaluation procedures relevant thereto etc.
- Make regulations regarding the admission of students to different programmes of study in the college keeping in view the policy of the Government.
- Make regulations for sports, extra-curricular activities, and proper maintenance and functioning of the playgrounds and hostels.
- Recommend to the Governing Body proposals for institution of new programmes of study.
- Recommend to the Governing Body institution of scholarships, studentships, fellowships, prizes and medals, and to frame regulations for the award of the same.
- Advise the Governing Body on suggestions(s) pertaining to academic affairs made by it.
- Perform such other functions as may be assigned by the Governing Body.

Governing Council**Functions of the Governing Body:**

- Guide the college while fulfilling the objectives for which the college has been granted autonomous status.
- Institute scholarships, fellowships, studentships, medals, prizes and certificates on the recommendations of the Academic Council
- Approve new programmes of study.
- Recruitments of Teaching Faculty/Principal
- To approve annual budget.
- Perform such other functions and institute committees, as may be necessary and deemed fit for the proper development of the college.
- Approve GC and AC Members

6. Curriculum Development Process

Curriculum development shall involve:

- Identification of programme objectives and outcomes
- Design of course structure and syllabi as mentioned in the above flow chart
- Mapping of COs to POs and PSOs
- Definition of assessment methods and evaluation criteria

7. Curriculum Revision Cycle

- Comprehensive curriculum revision shall normally be undertaken once every three years
- Interim revisions may be carried out in every semester through BoS meeting to address:
 - Regulatory changes
 - Emerging technologies
 - Industry and societal needs
 - Outcome attainment analysis

8. Approval and Implementation

- Revised curricula shall be placed before the Board of Studies for recommendation
- Approval shall be obtained from the Academic Council
- Approved curricula shall be implemented from the notified academic year

9. Monitoring and Continuous Improvement

- Curriculum implementation shall be monitored through academic audits, outcome attainment analysis, and feedback mechanisms
- Gaps and improvement areas shall be identified and documented
- Corrective actions shall be incorporated in subsequent curriculum cycles

10. Compliance, Monitoring & Action

- Curriculum effectiveness shall be monitored through outcome attainment, academic audits and accreditation reviews.
- Non-compliance with approved curriculum structure shall be treated as an academic governance issue.

Policy on Examination and Evaluation Policy

HR Policy No.: KEC-A02**Effective Date: 01.04.2026**

1. Policy Objective

To ensure fair, transparent and consistent assessment of student learning outcomes.

2. Scope & Applicability

This policy applies to:

- All Undergraduate, Postgraduate, and Research programmes
- All students of the institution
- Faculty members involved in teaching, evaluation, and assessment
- All forms of assessment conducted by the institution

The policy covers:

- Continuous Internal Assessment
- End Semester Examinations
- Practical, laboratory, project, and viva-voce assessments

3. Examination Governance

- Overall authority for examinations rests with the Principal
- Academic oversight shall be exercised by the Academic Council
- Operational responsibility shall rest with the Controller of Examinations (CoE)
- Examination committees may be constituted as required

All examination activities shall be conducted under institutional autonomy and approved academic regulations.

4. Policy Statements, Assessment Structure, Continuous Internal Assessment, Attendance, Student Progression, End Semester Examinations, Evaluation, Academic Integrity and Malpractice

- Shall be as per Academic Regulations

5. Question Paper Setting and Moderation

- Question papers shall be set by internal or external examiners approved by the institution
- Moderation mechanisms shall be followed to ensure appropriate difficulty level, syllabus coverage, and outcome alignment
- Confidentiality shall be strictly maintained throughout the process

6. Result Processing and Declaration

- Examination results shall be processed under the supervision of the Controller of Examinations
- Results shall be published only after due verification and approval
- Errors, if any, identified post-publication shall be rectified through a formal process

7. Revaluation, Retotalling, and Grievance Redressal

- Students may apply for retotalling or revaluation within the prescribed time limits
- The institution shall follow defined procedures for revaluation and result review
- Academic grievances related to evaluation shall be addressed through institutional mechanisms

8. Records and Confidentiality

- Examination records, answer scripts, and result data shall be maintained securely
- Confidentiality of examination materials and student performance data shall be strictly protected

9. Roles and Responsibilities**Students**

- Adhere to examination rules and schedules
- Maintain discipline and academic integrity

Faculty

- Conduct assessments fairly and transparently
- Ensure timely submission of marks and records

Examination Office

- Ensure smooth conduct of examinations
- Maintain accuracy, security, and confidentiality

INTEGRATED EXAMINATION SYSTEM

EXAMINATION PROCESS

**Policy on Outcome-Based Education (OBE)
Implementation**

HR Policy No.: KEC-A03**Effective Date: 01.04.2026**

1. Policy Objective

The objective of this policy is to establish a structured, consistent, and sustainable framework for the implementation of Outcome-Based Education (OBE) at Kongu Engineering College (KEC), ensuring:

- Compliance with NBA (Tier-I), AICTE, UGC, NAAC, NIRF and ISO requirements
- Systematic definition, measurement, and attainment of learning outcomes
- Continuous improvement in teaching–learning processes
- Institution-wide uniformity in academic planning, assessment, and review

The Accreditation, Ranking, ISO & IQAC Cell shall coordinate and facilitate OBE implementation across all eligible Undergraduate and Postgraduate programmes.

2. Scope & Applicability

This policy applies to:

- All UG, PG and Research programmes offered by the institution
- All academic departments and centres
- All courses, laboratories, projects, internships and assessment activities
- All faculty members involved in curriculum design, delivery, assessment and review

OBE principles shall be applicable to regular, autonomous, industry-linked and interdisciplinary programmes of the institution.

3. Governance & Authority**4.1 Institutional Governance**

- The Principal is the apex authority for OBE implementation.
- The Academic Council approves all OBE-related academic frameworks and outcomes.
- The IQAC oversees institutional-level OBE planning, implementation, monitoring and review.

4.2 Departmental Governance

- Each department shall constitute an OBE / NBA Committee.
- The Head of the Department (HoD) is responsible for effective execution of OBE practices at the department level.
- Programme Coordinators and Course Coordinators shall ensure compliance within their respective domains.

5. OBE Framework at KEC

5.1 Outcome Hierarchy

OBE implementation at KEC shall follow the hierarchy below:

- Vision → Mission
- Programme Educational Objectives (PEOs)
- Programme Outcomes (POs)
- Programme Specific Outcomes (PSOs)
- Course Outcomes (COs)

Alignment across all levels shall be mandatory.

5.2 Definition and Approval of Outcomes

- PEOs, POs and PSOs shall be defined by the Board of Studies (BoS) in consultation with:
 - Industry experts
 - Alumni
 - Academic peers
- COs shall be defined for every course and approved by the department.
- All outcomes shall be measurable, realistic, and aligned with graduate attributes.

6. CO–PO–PSO Mapping

- Every course shall mandatorily carry CO–PO–PSO mapping.
- Mapping strength levels shall be clearly defined (Low / Medium / High or 1–2–3).
- Mapping shall be approved by the department OBE Committee and HoD.
- Mapping matrices shall be documented and retained for accreditation and audit purposes.

7. Assessment and Attainment Methodology

7.1 Assessment Tools

OBE assessment shall use both direct and indirect tools, including but not limited to:

Direct Assessment Tools

- Internal tests
- End semester examinations
- Laboratory evaluations
- Assignments, quizzes
- Projects and viva-voce

Indirect Assessment Tools

- Course exit surveys
- Programme exit surveys
- Alumni surveys
- Employer feedback

7.2 CO Attainment

- CO attainment shall be calculated for each course every semester.
- Threshold levels for attainment shall be predefined by the department.
- Attainment shall be computed using weighted contributions from CIA and ESE.

7.3 PO and PSO Attainment

- PO and PSO attainment shall be derived from mapped CO attainments.
- Both direct and indirect attainment components shall be considered.
- Consolidated attainment levels shall be reviewed annually.

8. Continuous Improvement (CI) Process

- Attainment shortfalls shall be analysed systematically.
- Corrective and improvement actions may include:
 - Curriculum revision
 - Pedagogical improvements
 - Additional academic support
 - Assessment redesign
- All Continuous Improvement (CI) actions shall be documented and tracked for effectiveness.

9. Documentation and Record Management

The following OBE documents shall be maintained by each department:

- PEO, PO, PSO statements and approvals
- CO definitions and mapping matrices
- Attainment calculation sheets
- Survey instruments and analysis
- Continuous improvement action reports

All records shall be retained as per institutional document control and audit norms.

10. Capacity Building and Faculty Development

- Faculty members shall be periodically trained on:
 - OBE concepts and practices
 - Outcome formulation and assessment
 - Attainment computation and analysis
- OBE orientation shall be part of faculty induction and development programmes.

11. Review, Audit and Reporting

- OBE implementation shall be reviewed:
 - Every semester at the department level
 - Annually at the institutional level
- IQAC shall conduct periodic internal audits of OBE practices.
- OBE compliance shall form a key input for:
 - Academic audits
 - NBA and NAAC accreditation
 - Ranking and quality reviews

12. Compliance, Monitoring & Action

- Compliance with this policy is mandatory for all academic departments.
- Failure to implement OBE processes or maintain required documentation shall be treated as an academic governance issue.
- Non-compliance shall be addressed through:
 - Departmental review
 - Academic Council intervention
 - Corrective action plans

SECTION B – STUDENT-CENTRIC POLICIES

Code of Conduct Policy (Teaching Staff, Non-Teaching Staff, Students) **HR Policy No.: KEC-B01**

Effective Date: 01.04.2026

1. Policy Objective

The objective of this policy is to establish a clear, disciplined, and transparent financial authority framework at Kongu Engineering College (KEC) to ensure:

- Academic discipline and integrity
- Safety and mutual respect within the campus community
- Orderly functioning of academic and residential life
- Protection of institutional reputation, property, and values

2. Scope & Applicability

This policy applies to:

- All Undergraduate, Postgraduate and Research students of the institution
- All academic programmes, semesters, and courses
- All campus locations, including classrooms, laboratories, libraries, hostels, transport facilities, sports areas, common spaces, and administrative offices
- All institutional activities, whether conducted on campus or off campus, including industrial visits, internships, training programmes, and official events
- All online, digital, and virtual platforms officially associated with the institution, including learning management systems, communication platforms, and social media interactions representing the institution

3. Governance & Authority

- The Principal is the supreme disciplinary authority.
- Heads of Departments, Wardens, Faculty Members, and designated committees are authorised to report, recommend and initiate disciplinary action.
- Decisions of the Principal shall be final and binding.

4. Standards of Student Conduct

4.1 Academic Discipline and Behaviour

- Maintain satisfactory conduct, decorum, and respect in classrooms, laboratories, libraries, and all academic spaces
- Attend all scheduled academic activities punctually and regularly
- Remain present in the classroom or laboratory for the entire duration of the session unless formally permitted

- Refrain from any form of academic malpractice, including cheating, plagiarism, impersonation, or misuse of academic privileges

4.2 Dress Code and Identity

- Follow the prescribed dress code within the campus and during all institutional activities
- Always carry and display the institutional identity card while on campus and during official programmes

4.3 Respect for Institutional Property and Environment

- Protect and responsibly use all institutional property, including buildings, furniture, laboratory equipment, electrical fittings, library resources, and IT facilities
- Any damage or loss caused due to negligence or misconduct shall be recovered from the concerned student(s)

4.4 Conduct, Safety, and Mutual Respect

- Refrain from misbehaviour, intimidation, harassment, violence, abusive language, or disorderly conduct
- Respect fellow students, faculty, staff, visitors, and service personnel
- Strictly avoid activities that compromise safety, dignity, or harmony within the campus community

4.5 Compliance with Institutional Instructions

- Follow all instructions issued through official circulars, notices, portals, announcements, and communications
- Seek prior written approval for organising or participating in meetings, gatherings, events, or demonstrations
- Not enter restricted areas, including hostels or secured facilities, without proper authorisation

4.6 Conduct Outside Campus and Online

- Conduct outside the campus or on digital platforms that damages the reputation of the institution shall be treated as a violation of this policy
- Misuse of social media, online harassment, or unauthorised representation of the institution is strictly prohibited

5. Process / Implementation

5.1 Attendance Recording Reporting and Preliminary Review

- Any violation of this policy shall be recorded and reported by the concerned authority.
- A preliminary enquiry may be conducted by the department, warden, or designated authority to ascertain facts.

5.2 Disciplinary Action

- Based on the nature and severity of the violation, disciplinary action may include:
 - Verbal or written warning
 - Fine or penalty
 - Suspension from classes or facilities
 - Rustication for a specified period
 - Expulsion from the institution

5.3 Principles of Action

- Disciplinary action shall be:
 - Proportionate to the offence
 - Based on documented evidence
 - Free from bias or discrimination

6. Compliance, Monitoring & Action

- Continuous monitoring of student conduct shall be carried out by academic and administrative authorities.
- Repeated, wilful, or serious violations shall result in escalated disciplinary action.
- Violation of this policy may also lead to loss of privileges related to hostel accommodation, transport, scholarships, placements, or participation in institutional activities.

Policy on Anti-Ragging

HR Policy No.: KEC-B02**Effective Date: 01.04.2026**

1. Policy Objective

The purpose of this Anti-Ragging Policy is to create a safe and conducive environment for learning by preventing any form of ragging and ensuring strict action against those found guilty of engaging in such activities.

2. Scope & Applicability

Applicable to:

- All students and staff of the institution
- All campus locations and off-campus institutional activities

3. Definitions

In this Act, unless the context otherwise requires, “ragging” means display of noisy, disorderly conduct doing any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear of shame or embarrassment to the student in any educational institution and includes:

- i. Teasing, abusing or playing practical jokes on, or causing hurt to such student.
- ii. Asking the student to do any act or perform something which such student will not in the ordinary course be willingly do.

4. Governance & Authority

- The Anti-Ragging Cell operates under the authority of the Principal.
- Decisions taken by the Head of the Institution are final.

5. Constitution of Anti-Ragging Committee

The Anti-Ragging Committee shall be constituted by the institution and may include:

- Principal or nominee as Chairperson
- Senior faculty members
- Heads of Departments
- Representatives from civil administration
- Police officials
- Representatives from NGOs involved in youth welfare
- Media representatives
- Parent representatives
- Student representatives

The composition shall be in accordance with UGC regulations and statutory guidelines.

6. Awareness and Visibility

- Names and contact details of committee members shall be displayed prominently
- Anti-ragging helpline numbers shall be communicated to students and parents
- Awareness programmes shall be conducted regularly

7. Policy Statements

- Ragging is strictly prohibited in any form.
- Participation, abetment or encouragement of ragging is punishable.
- Conviction under applicable law shall result in dismissal from the institution.
- Immediate suspension shall be imposed when a complaint is found to be valid.

6. Process / Implementation

- Complaints shall be investigated immediately.
- Mandatory online anti-ragging affidavits shall be submitted annually by students and parents.
- Failure to submit affidavits shall result in denial of admission or continuation.

7. Compliance, Monitoring & Action

- The Anti-Ragging Committee will conduct regular audits and surveys to monitor compliance with this policy.
- The Anti-Ragging Committee of the institution is responsible for making a suitable decision regarding the punishment or any action needed, based on the specific facts and severity of each confirmed incidence of ragging.
- The Anti-Ragging Committee may propose to the principal to impose one or more of the following penalties on individuals who have been proven guilty, depending on the nature and gravity of the guilt established.
- Suspension from attending classes and academic privileges.
- Withholding/ withdrawing scholarship/ fellowship and other benefits.
- Debarring from appearing in any test/ examination or other evaluation process.
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Cancellation of admission.
- Suspension from the institution for a period ranging from one to four semesters.
- Provided that if the persons committing or abetting the act of ragging are not identified, the college shall resort to collective punishment.
- An appeal against the disciplinary action can be made to the higher authorities within the stipulated time frame as per the college regulation.

8. Meetings and Documentation

- The Anti-Ragging Committee shall meet periodically and whenever required
- Minutes of meetings, action taken reports, and case records shall be maintained
- Documentation shall be preserved for audit and inspection purposes

Policy on Prevention of Sexual Harassment (POSH)**HR Policy No.: KEC-B03****Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College is committed to providing a safe, dignified, inclusive, and respectful environment for all employees and students.

The purpose of this policy is to:

- Prevent sexual harassment at the workplace and campus
- Prohibit and redress incidents of sexual harassment
- Comply with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and UGC regulations
- Create awareness and accountability across the institution

2. Scope & Applicability

This policy applies to:

- All women employees (teaching, non-teaching, contractual, temporary, visiting)
- All students (UG, PG, Research Scholars)
- Interns, apprentices, consultants, vendors, and service providers
- Any person interacting with the institution

The policy applies to:

- All locations within the campus
- Hostels, guest houses, transport, events
- Off-campus activities related to work or academics
- Virtual or digital environments (emails, messages, online platforms)

3. Legal Framework

This policy is framed in accordance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, the corresponding Rules, UGC Regulations, and the directions issued by the Hon'ble Supreme Court of India. The provisions of this policy shall be interpreted in harmony with the applicable law.

4. Definitions**Sexual Harassment includes:**

Any unwelcome act or behaviour (direct or implied), including:

- Physical contact and advances
- Demand or request for sexual favours
- Sexually coloured remarks

- Showing pornography
- Any unwelcome physical, verbal or non-verbal conduct of sexual nature

Workplace

Any place visited by an employee or student during the course of work or study, including transport and virtual spaces.

Aggrieved Woman

Any woman who alleges to have been subjected to sexual harassment.

5. Institutional Commitment

Kongu Engineering College affirms its commitment to maintaining a work and learning environment free from sexual harassment. The institution assures that all complaints will be handled with seriousness, confidentiality, fairness, and sensitivity.

No person who raises a complaint in good faith or participates in an inquiry shall be subjected to victimisation or retaliation.

6. Internal Complaints Committee (ICC)**6.1 Constitution of ICC**

The Internal Complaints Committee shall consist of:

- Presiding Officer – Senior woman faculty member
- Minimum two faculty/employee members committed to women's causes
- One external member from NGO/legal background
- At least 50% women members

The ICC shall be constituted as per statutory requirements.

7. Powers and Functions of ICC

The Internal Complaints Committee is empowered to receive complaints, conduct inquiries in a fair and impartial manner, recommend interim relief where required, and suggest disciplinary action based on its findings. The Committee shall also undertake awareness activities and submit statutory reports as required.

8. Procedure for Filing a Complaint

- Complaint must be submitted within 3 months of the incident
- Extension may be granted in exceptional circumstances
- Complaint can be submitted in writing or with assistance from ICC
- Complaints by legal heir permitted in specified cases

9. Inquiry Process

- Inquiry to be completed within 90 days
- Principles of natural justice followed
- Both parties given opportunity to be heard

- Proceedings conducted confidentially

10. Interim Measures

During the pendency of the inquiry, the Internal Complaints Committee may recommend interim measures such as transfer of the complainant or respondent, grant of leave to the complainant, or any other appropriate relief to ensure safety and prevent further harassment.

11. Findings and Action

If the inquiry concludes that sexual harassment has occurred, the Internal Complaints Committee shall recommend appropriate disciplinary action in accordance with service rules or student disciplinary regulations. Such action may include warning, reprimand, suspension, termination, or any other measure deemed appropriate.

If the allegation is not proved, no action shall be taken against the respondent, and the complainant shall be protected against retaliation.

12. False or Malicious Complaints

Mere inability to substantiate a complaint or provide adequate proof shall not be treated as a false complaint. Action against the complainant shall be taken only if the complaint is found to be malicious and made with intent to defame, after due inquiry.

13. Confidentiality

The identity of the complainant, respondent, witnesses, and details of the inquiry shall be kept strictly confidential, except where disclosure is required under law.

14. Protection Against Victimisation

The institution strictly prohibits retaliation against any individual who files a complaint or participates in an inquiry. Any act of victimisation shall attract disciplinary action.

15. Awareness and Training

Kongu Engineering College shall regularly conduct awareness programmes on prevention of sexual harassment. Details of the Internal Complaints Committee shall be displayed prominently, and orientation on this policy shall be provided to new employees and students.

16. Record Keeping and Reporting

The Internal Complaints Committee shall maintain records of complaints received, inquiries conducted, and actions taken. Annual reports shall be submitted to the appropriate authority as required by law.

17. Interpretation

Any question regarding interpretation of this policy shall be resolved by the Principal in consultation with the Internal Complaints Committee and in accordance with statutory provisions.

18. Review and Amendment

This policy shall be reviewed periodically and amended as required to remain compliant with legal and institutional requirements.

Policy on Student Grievance Redressal

HR Policy No.: KEC-B04**Effective Date: 01.04.2026**

1. Policy Objective

Grievance Redressal Policy outlines the procedures and principles for addressing grievances raised by students within the institution. This policy underscores the commitment of KEC to providing a conducive learning environment and ensuring the well-being of its student community.

2. Scope & Applicability

Covers grievances related to individuals, including teaching and non-teaching staff, various administrative wings, or the institution as a whole.

3. Governance & Authority

- The Student Grievance Redressal Committee functions under the Principal.

4. Policy Statements

- Utmost confidentiality and privacy will be maintained while addressing grievances, and all related documentation will be treated as highly confidential.
- KEC is committed to ensuring that both the complainant and the respondent are protected from victimization or discrimination at all stages of the Grievance Handling and Resolution Procedure.
- The procedure will be implemented impartially and without bias towards either party.
- Upon request from the complainant or the respondent, a comprehensive explanation of the actions taken will be provided in writing.
- Records of grievances and their resolutions will be securely maintained for one year.
- Utilizing this grievance and appeal process will not incur any cost to the complainant.
- We firmly believe in open communication and respect for diverse viewpoints.
- Students at KEC have the right to freely express their grievances and concerns without fear of discrimination, victimization, or reprisal. This policy ensures that their voices are heard, valued, and addressed.
- Recognizing the importance of resolving grievances promptly, we have established a robust and time-bound grievance redressal mechanism.
- Our aim is to enhance stakeholder satisfaction by addressing issues in a fair, transparent, and efficient manner.
- We are committed to providing students with a platform to seek redressal for their concerns swiftly and effectively.
- KEC provides easy and accessible avenues for students to raise their grievances.
- We have developed a comprehensive institutional framework to ensure that student complaints are received, reviewed, and resolved equitably.

5. Process / Implementation

- Students have the option to submit written grievances in designated locations within the institution.
- Alternatively, they can submit their grievances to the institution's website or use other communication channels as specified by the institution from time to time.
- If a grievance is initially submitted to the Head of the Institution or other relevant authorities, and the situation warrants, it will be referred to the Committee for consideration during its next meeting.
- The Committee is committed to handling grievances promptly, fairly, and confidentially, ensuring

6. Compliance, Monitoring & Action

- Academic Matters concerns related to the teaching-learning process and academic activities within the institution. It should be noted that matters falling under this domain and jurisdiction of the University are excluded from the Committee's purview.
- Administration-Related Grievances concerning infrastructure, facilities, and administrative processes are within the Committee's scope. These encompass issues related to the physical and operational aspects of the institution.
- The Committee handles grievances related to allegations of victimization or harassment, excluding cases of ragging and sexual harassment.
- Ragging/Sexual Harassment Grievances and complaints regarding ragging and sexual harassment are addressed through separate, dedicated procedures and committees.
- Grievances pertaining to internal assessment processes, such as grading and evaluation, fall under the purview of the Committee.
- If the grievances are come under the purview of other committees, they are forwarded to the concerned committee based on the nature of grievances.

Policy on Hostel and Residential Life

HR Policy No.: KEC-B05**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College provides hostel and residential facilities to support students in their academic journey by offering a safe, disciplined, and supportive living environment. The purpose of this policy is to define the rules, responsibilities, and governance framework for hostel and residential life, while ensuring student safety, well-being, and orderly conduct.

This policy seeks to balance student welfare with institutional discipline and accountability.

2. Scope & Applicability

This policy applies to all students residing in hostels managed by Kongu Engineering College. It also applies to wardens, hostel administrators, security personnel, and any staff associated with hostel operations.

The provisions of this policy apply within hostel premises, residential common areas, and during hostel-related activities organised by the institution.

3. Hostel Governance and Administration

The overall administration of hostels shall function under the authority of the Principal. Wardens shall be appointed for each hostel and shall be responsible for the day-to-day functioning, discipline, and welfare of residents.

The institution may constitute hostel committees to assist in administration, grievance handling, and monitoring of facilities. Students shall comply with all instructions issued by wardens and hostel authorities.

4. Admission to Hostels

Admission to hostels is subject to availability of accommodation and fulfilment of institutional eligibility norms. Hostel accommodation is a facility provided by the institution and shall not be treated as a right.

Students admitted to hostels are required to submit all prescribed forms and undertakings and shall be deemed to have accepted this policy and related hostel rules.

5. Policy Statements

- Hostel residents are expected to maintain discipline, decorum, and respectful behaviour at all times.
- They shall interact courteously with fellow residents, wardens, staff, and visitors.
- Any act of misbehaviour, indiscipline, harassment, or disturbance to others shall be treated as a violation of this policy and shall attract disciplinary action.
- Hostel residents shall adhere strictly to the entry and exit timings prescribed by the institution.
 - Girls: Return by 6.45 p.m.
 - Boys: Return by 7.30 p.m.

- Attendance within hostels may be monitored as per institutional procedures.
- Students shall not leave hostel premises during working hours or night hours without prior permission from the warden or competent authority. Unauthorized absence from the hostel shall be treated as a serious violation.
- Refrain from smoking, alcohol, drugs, gambling or disruptive activities
- Maintain discipline and cleanliness
- Obtain permission for visitors and leave
- Cooperate with hostel administration

7. Visitors and Guest Regulations

Visitors are permitted only during specified hours and only in designated areas. All visitors shall be registered as per hostel procedures.

Overnight stay of visitors inside hostels is strictly prohibited unless expressly approved by the institution. Hostel residents shall be responsible for the conduct of their visitors.

9. Safety, Security, and Facilities

Hostel residents shall cooperate with all safety and security measures implemented by the institution. Fire safety rules, emergency protocols, and health-related instructions shall be followed without exception.

Students shall take reasonable care of hostel property and facilities. Any damage caused intentionally or through negligence shall be recovered from the concerned student or group of students.

10. Leave, Vacating, and Discontinuation

Students seeking leave from the hostel shall follow the prescribed application and approval process. Temporary or permanent vacating of hostel rooms shall be carried out only with prior approval and after completing formalities.

On completion of the academic year or discontinuation of studies, students shall vacate the hostel as per instructions, clear all dues, and return hostel property.

11. Disciplinary Action

Violation of hostel rules or this policy may result in disciplinary action including warning, fine, suspension of hostel privileges, or expulsion from the hostel.

Serious violations may also attract disciplinary action under the Student Disciplinary Action and Penalty Policy, including suspension or dismissal from the institution.

12. Grievance Redressal

Hostel-related grievances shall be reported to the warden in the first instance. If unresolved, grievances may be escalated to higher institutional authorities through the prescribed mechanism.

The institution shall make reasonable efforts to address genuine grievances in a timely and fair manner.

Policy on Mentoring and Counselling

HR Policy No.: KEC-B06**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College recognises mentoring and counselling as essential support systems for students' academic success, personal development, emotional well-being, and career readiness.

This policy establishes a structured framework for mentoring and counselling services to ensure timely guidance, early intervention, and holistic student development.

2. Scope & Applicability

This policy applies to:

- All undergraduate, postgraduate, and research students
- Faculty members designated as mentors
- Counsellors appointed or engaged by the institution

It covers:

- Academic mentoring
- Personal and emotional counselling
- Career guidance and referral support

3. Mentoring Framework

- Each student shall be assigned a faculty mentor
- Mentoring shall focus on:
 - Academic progress and performance
 - Attendance and engagement
 - Behavioural and adjustment issues
 - Basic career orientation

Mentors shall:

- Meet students periodically
- Maintain mentoring records
- Identify students requiring additional support

4. Counselling Support

Counselling services shall be provided for:

- Emotional or psychological concerns
- Stress, anxiety, and adjustment challenges

- Personal or family-related difficulties

Counselling shall:

- Be confidential
- Be non-judgmental and supportive
- Follow ethical counselling practices

Serious cases may be referred to qualified professionals or external experts, with due consent.

5. Confidentiality and Trust

- Information shared during mentoring and counselling shall be treated confidentially
- Disclosure shall be made only when:
 - There is a risk to the student or others
 - Disclosure is required by law or institutional safety policies

6. Roles and Responsibilities

Students

- Participate actively in mentoring sessions
- Seek counselling support when required

Mentors

- Provide guidance and monitor progress
- Refer students to counselling or other support where needed

Institution

- Facilitate mentoring systems
- Provide access to counselling resources

Policy on Placement and Career Services

HR Policy No.: KEC-B07**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College is committed to supporting students in their transition from academic life to professional careers. This policy establishes a structured framework for placement activities, career guidance, industry interaction, and employability enhancement, ensuring fairness, transparency, and institutional discipline.

The policy aims to:

- Enhance student employability and career readiness
- Facilitate structured engagement with recruiters and industry
- Provide equal opportunity to eligible students
- Define roles, responsibilities, and conduct expectations

2. Scope and Applicability

This policy applies to:

- All students of KEC eligible for placement and career services
- The Placement and Career Services Cell
- Faculty coordinators, staff, and external recruiters

The policy covers:

- Campus recruitment and placement activities
- Internships and career guidance initiatives
- Industry interaction related to student careers

3. Placement and Career Services Cell

KEC shall operate a Placement and Career Services Cell responsible for:

- Planning and coordinating placement activities
- Liaising with recruiting organisations
- Providing career guidance and employability support
- Maintaining placement records and reports

The Cell shall function under the overall oversight of the Principal.

4. Student Eligibility for Placement

Students shall be eligible for placement activities subject to:

- Meeting academic and attendance requirements
- Compliance with institutional discipline and conduct norms

- Completion of registration formalities prescribed by the Placement Cell

Eligibility criteria may vary based on recruiter requirements.

5. Student Responsibilities and Conduct

Students participating in placement activities shall:

- Register within prescribed timelines
- Attend training sessions, interviews, and selection processes punctually
- Maintain professional behaviour and decorum
- Provide accurate academic and personal information

The following are prohibited:

- Misrepresentation of information
- Absence without valid reason after registration
- Indiscipline during placement activities

6. Placement Process

The placement process may include:

- Pre-placement talks and company presentations
- Skill development and employability training
- Written tests, group discussions, interviews, or assessments
- Offer communication and acceptance

The Placement Cell shall coordinate schedules and communication.

7. Recruiter Engagement

- Recruiters shall be invited based on academic relevance and student profiles
- Terms of engagement shall be communicated clearly
- The institution reserves the right to accept or decline recruitment requests

All interactions shall be conducted professionally and transparently.

8. Offers, Acceptance, and Withdrawal

- Students shall respond to offers within stipulated timelines
- Acceptance of an offer shall be binding as per Placement Cell guidelines
- Withdrawal after acceptance may attract restrictions on further participation

Rules shall be communicated clearly at the start of the placement season.

9. Internships and Career Exposure

The Placement and Career Services Cell may facilitate:

- Internships and industrial training

- Career talks, mentoring, and counselling
- Industry interaction programmes

Such initiatives are part of holistic career development.

10. Data Management and Confidentiality

- Student and recruiter data shall be handled confidentially
- Placement records shall be maintained accurately
- Data shall be used only for legitimate institutional purposes

11. Discipline and Grievance Handling

- Any misconduct during placement activities shall be dealt with as per the Student Code of Conduct
- Grievances related to placement shall be addressed through prescribed mechanisms

12. Limitations and Disclaimer

- Placement assistance does not guarantee employment
- Final selection rests solely with the recruiting organisation
- The institution shall not be responsible for terms offered by recruiters

Policy on Scholarship and Financial Assistance

HR Policy No.: KEC-B08**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College provides scholarships and financial assistance to promote academic excellence, social inclusion, and holistic student development. This policy establishes a structured and transparent framework for eligibility, award, continuation, and governance of scholarships and fee concessions offered by the institution and its Trust.

2. Scope and Applicability

This policy applies to:

- All students applying for or receiving scholarships or fee concessions
- All institutional and Trust-funded scholarship schemes
- All departments involved in scholarship administration

The policy covers scholarships awarded at admission and those awarded during the course of study.

3. Categories of Scholarships and Financial Assistance

KEC offers the following categories of scholarships and fee concessions:

3.1 Merit-Based Scholarships

- Scholarships awarded based on academic excellence
- Supported by the Kvit Trust

3.2 Government School Merit Scholarship

- Full fee concession for meritorious students from Government schools

3.3 Sports Quota Scholarship

- Scholarships awarded to students admitted under Sports quota

3.4 Other Fee Concessions and Awards

- Any additional concessions or awards approved by the Management or Trust

4. Eligibility Criteria

Scholarship eligibility shall be governed strictly by approved norms.

4.1 Government School Merit Scholarship

- 25 meritorious students who have studied in Government Schools shall be awarded
- Full fee concession shall be granted
- Selection shall be done every **academic year** based on merit and approved criteria

4.2 Sports Quota Scholarship

- 15 students admitted under Sports Quota shall be awarded scholarships every year

- Eligible benefits include:
 - Full fee concession
 - Hostel facility
 - Transport (bus) facility
 - Other approved facilities

Award of benefits shall be subject to:

- Continued participation in sports
- Discipline and conduct
- Institutional norms

4.3 KVIT Trust Academic Excellence Scholarship

- Top 5% of students in each branch, from first year to final year, shall be awarded scholarships every year
- Selection shall be based on academic performance
- ssThe scholarship shall be funded by the KVIT Trust

5. Attendance Requirement for Continuation

- Minimum 90% attendance is mandatory for continuation of any scholarship or fee concession
- Attendance shall be calculated as per institutional attendance records
- Failure to maintain minimum attendance may result in:
 - Suspension of scholarship for the current period
 - Discontinuation in subsequent semesters

Relaxation, if any, shall be considered only under exceptional circumstances and with approval from the competent authority.

6. Award, Continuation, and Withdrawal

- Scholarships and fee concessions shall be awarded for the approved period only
- Continuation is subject to:
 - Academic performance
 - Attendance compliance
 - Discipline and conduct

Scholarships may be withdrawn in case of:

- Misrepresentation of information
- Academic misconduct or indiscipline
- Failure to meet attendance or eligibility norms

7. Fee Concessions and Awards

- All fee concessions and awards shall strictly follow approved institutional and Trust norms
- No concession shall be granted outside the approved framework
- Any deviation shall require prior written approval from the competent authority

8. Administration and Governance

- Scholarship administration shall be coordinated by the designated institutional authority
- Verification of eligibility and records shall be carried out systematically
- The institution acts as:
 - A facilitator for Trust and government scholarships
 - An administrator, not a guarantor, of external funding

9. Grievance Redressal

- Scholarship-related grievances may be submitted to the designated authority
- Grievances shall be reviewed based on records and applicable norms
- Decisions taken as per policy shall be final

10. Compliance, Monitoring & Action

- Failure to meet conditions shall result in forfeiture.
- Misrepresentation shall invite disciplinary action.

SECTION C – RESEARCH, INNOVATION AND INDUSTRY ENGAGEMENT POLICIES

Policy on Research and Publication

HR Policy No.: KEC-C01**Effective Date: 01.04.2026**

1. Purpose

Kongu Engineering College promotes a strong and ethical research culture that contributes to academic excellence, societal relevance, and institutional reputation. The purpose of this policy is to establish a structured framework for research and scholarly publications, with emphasis on quality, integrity, impact, and alignment with accreditation and ranking requirements.

2. Scope and Applicability

This policy applies to:

- All teaching faculty of the institution
- Research scholars registered under KEC
- Any staff member publishing research using the affiliation of Kongu Engineering College

The policy governs research publications, authorship norms, ethical practices, indexing standards, incentives, and institutional reporting.

3. Research Governance and Authority

Research activities at Kongu Engineering College shall function under a clearly defined governance structure to ensure consistency, quality control, and accountability.

- The Research Committee / R&D Cell shall oversee institutional research governance. It shall be responsible for promoting research culture, framing research directions, monitoring publication quality, and ensuring compliance with institutional and regulatory standards.
- Department Research Coordinators shall monitor and support research activities at the department level. They shall facilitate publication tracking, guide faculty and scholars on approved journals and ethical practices, and coordinate with the Research Committee for data submission and review.
- The Principal shall be the final approving and oversight authority for all research and publication-related matters. The Principal's approval shall be required for incentive sanction, policy interpretation, and corrective or disciplinary actions arising from research governance.

This structure ensures decentralised execution with centralised oversight, without dilution of institutional control.

4. Focus on Research Quality and Impact

KEC places emphasis on quality-driven research outputs. Accreditation and ranking frameworks such as NAAC, NBA, and NIRF recognise both Web of Science (WoS) and

Scopus-indexed publications, with higher weightage generally accorded to WoS publications.

While Scopus publications have shown consistent growth, WoS publications require focused encouragement. This policy therefore prioritises high-impact and high-quality WoS publications, particularly in higher quartiles.

5. Recognised Publication Categories

Only the following publication categories shall be recognised for institutional credit and incentives:

- Journals indexed in Web of Science (SCI, SCIE, SSCI, etc.)
- Journals indexed in Scopus

Publications in predatory, non-indexed, misleading, or delisted journals shall not be recognised under this policy.

6. Publication Incentives

6.1 Web of Science (WoS) Publications

Incentives shall be provided based on journal quartile:

S.No	Quartile	Incentive Amount (Rs.)
1.	Q1	10,000
2.	Q2	7,500
3.	Q3 & Q4	5,000

6.2 Scopus Publications

- Scopus-indexed journal publications shall be eligible for an incentive of Rs. 3,000, as per approved norms.

7. Authorship and Incentive Claim Norms

To ensure fairness and avoid duplication:

- Only one faculty member may claim incentive per publication
- The First Author or Corresponding Author may claim 100% of the incentive
- The Second Author may claim 75% of the incentive
- Other authors may claim 50%, subject to approval

The claimant must clearly mention Kongu Engineering College affiliation in the publication.

8. Conditions for Incentive Eligibility

Incentives shall be sanctioned only if:

- Indexing status is valid at the time of publication
- The journal is not under ethical dispute or retraction
- Institutional submission and verification processes are followed

The institution reserves the right to withhold or recover incentives if discrepancies are identified later.

9. Ethical Research and Publication Practices

All research shall adhere to:

- Academic integrity and honesty
- Avoidance of plagiarism, duplicate publication, and data fabrication
- Proper citation and acknowledgment of sources

Plagiarism checks using institutional software are mandatory prior to submission.

10. Predatory Journals, Retractions, and Violations

- Publications in predatory or unethical journals shall not be recognised
- If a publication is later retracted, incentives already paid shall be recoverable
- Repeated violations may attract corrective or disciplinary action

11. Institutional Reporting and Monitoring

The Research Committee shall:

- Maintain year-wise publication records
- Track WoS and Scopus trends at department and institutional levels
- Support accreditation, ranking, and statutory reporting
- Recommend capacity-building or corrective actions where required

Policy on Sponsored Research and Consultancy

HR Policy No.: KEC-C02**Effective Date: 01.04.2026**

1. Purpose

Kongu Engineering College encourages sponsored research and consultancy activities to promote innovation, industry engagement, problem-solving, and societal impact while strengthening institutional capability and reputation.

This policy establishes a structured framework to:

- Facilitate sponsored research and consultancy projects
- Ensure transparency, accountability, and financial discipline
- Protect academic integrity and institutional interests
- Define roles, revenue sharing, and approval mechanisms

2. Scope and Applicability

This policy applies to:

- All teaching faculty and research staff
- All sponsored research projects and consultancy assignments
- Projects funded by government agencies, industry, or other organisations

It applies to activities undertaken in the name of or using resources of KEC.

3. Definitions

- Sponsored Research refers to research projects funded by external agencies with defined objectives, deliverables, timelines, and reporting requirements.
- Consultancy refers to professional or technical services rendered to external organisations for a fee, based on faculty expertise.
- Funding Agency / Client refers to the organisation sponsoring the research or availing consultancy services.

4. Governance and Oversight

Sponsored research and consultancy activities shall be governed through:

- The Research Committee / R&D Cell – institutional oversight and monitoring
- Department Research Coordinators – department-level coordination
- Principal – final approval and signing authority

No project or consultancy shall commence without formal approval.

5. Eligibility and Initiation

- Faculty members may initiate proposals individually or as teams
- Proposals shall align with academic expertise and institutional objectives

- Use of institutional name, infrastructure, or resources requires approval

6. Proposal Submission and Approval

All proposals shall include:

- Scope of work and objectives
- Financial details and budget
- Duration and deliverables
- Resource and infrastructure requirements

Approval process:

- Technical and financial review by the R&D Cell
- Departmental recommendation
- Final approval by the **Principal**

7. Financial Management

- All funds received shall be routed through official institutional accounts
- Project budgets shall comply with institutional financial policies
- Expenditure shall follow:
 - Policy on Financial Authority and Approval
 - Policy on Budgeting and Expenditure Control

8. Revenue Sharing

8.1 Consultancy Revenue Sharing

Consultancy revenue shall be shared as follows:

- **60%** – Faculty / Project Team
- **40%** – Institution / Department

The institutional share shall support infrastructure, research facilities, and administrative costs.

8.2 Sponsored Research

- Utilisation and sharing of funds shall follow sponsor guidelines
- Institutional overheads shall be applied as approved

9. Intellectual Property and Publications

- Intellectual Property arising from projects shall be governed by the IPR and Patents Policy
- Publications shall acknowledge funding sources
- Confidentiality clauses shall be strictly adhered to

10. Conflict of Interest and Ethics

- Faculty shall disclose any potential conflict of interest
- Projects shall uphold academic integrity and ethical standards
- Misrepresentation or misuse of institutional resources is prohibited

11. Project Execution and Monitoring

- Project execution shall follow approved timelines and deliverables
- Periodic progress and financial reports shall be submitted
- Deviations shall be reported and approved

12. Completion and Closure

- Final technical and financial reports shall be submitted
- Accounts shall be settled and closed as per norms
- Assets procured shall be accounted for as per asset policy

13. Use of Institutional Resources

- Use of laboratories, equipment, and manpower shall be regulated
- Priority shall not conflict with academic teaching requirements

14. Risk and Liability

- KEC shall not be liable for personal consultancy undertaken without approval
- All institutional consultancy shall include appropriate indemnity clauses

Policy on Intellectual Property Rights (IPR) and Patents

HR Policy No.: KEC-C03

Effective Date: 01.04.2026

1. Purpose

Kongu Engineering College encourages innovation, creativity, and knowledge creation by its faculty, students, and research scholars. The purpose of this policy is to define ownership, protection, management, and commercialisation of intellectual property generated under the aegis of the institution.

This policy aims to:

- Safeguard the intellectual output of the institution
- Promote patenting and technology transfer
- Ensure fair recognition and benefit sharing
- Prevent misuse or loss of intellectual property

2. Scope and Applicability

This policy applies to:

- All faculty members of the institution
- All students and research scholars
- Staff involved in research, consultancy, or innovation activities
- Any person using institutional resources for creation of intellectual property

The policy covers intellectual property generated:

- Using institutional facilities, funding, or support
- As part of sponsored research, consultancy, or academic projects
- Under institutional affiliation of Kongu Engineering College

3. Types of Intellectual Property Covered

Intellectual property under this policy includes, but is not limited to:

- Patents
- Copyrights
- Designs
- Trademarks
- Software and source codes
- Research data, databases, and algorithms
- Know-how, processes, and trade secrets

4. Ownership of Intellectual Property

4.1 Institutional Ownership

Intellectual property shall normally vest with Kongu Engineering College when:

- It is created using institutional facilities, funding, or resources
- It arises from sponsored or funded research administered by the institution
- It is created as part of employment or assigned academic responsibilities

4.2 Joint Ownership

- In cases involving external sponsors or collaborators, ownership shall be governed by the terms of the agreement or MoU
- Joint ownership may be established with industry or funding agencies as approved

4.3 Student Ownership

- Students shall be recognised as inventors or creators where applicable
- Ownership shall vest with the institution when:
 - Institutional resources or funding are used
 - The work is part of curriculum, project, or sponsored activity

5. Disclosure of Intellectual Property

- All potential intellectual property shall be disclosed to the institution through the prescribed Invention Disclosure Form
- Disclosure shall be made before publication, presentation, or public disclosure
- Early disclosure is mandatory to protect patentability

Failure to disclose may result in loss of institutional support or ownership claims.

6. Evaluation and Protection of IPR

- Disclosed inventions shall be evaluated by the IPR / Research Committee
- The committee shall assess:
 - Novelty and patentability
 - Commercial potential
 - Strategic value to the institution

Based on evaluation, the institution may:

- File for patent or other IPR protection
- Defer or decline filing with reasons recorded

7. Patent Filing and Maintenance

- The institution shall support patent filing for approved inventions

- Costs related to filing, prosecution, and maintenance may be borne by the institution, subject to approval and availability of funds
- Inventors shall cooperate fully in drafting, prosecution, and responses

Abandonment of patents shall be decided by the institution based on strategic or financial considerations.

8. Commercialisation and Technology Transfer

The institution may commercialise intellectual property through:

- Licensing
- Assignment
- Technology transfer
- Start-ups or incubation support

Commercialisation shall be carried out with due diligence and approval from the competent authority.

9. Revenue and Benefit Sharing

Revenue arising from commercialisation shall be shared as per approved institutional norms.

General principles include:

- Fair reward to inventors
- Recognition of institutional contribution
- Sustainability of research and innovation ecosystem

Exact sharing ratios shall be approved by the Management and communicated separately.

10. Responsibilities of Inventors and Creators

Inventors shall:

- Disclose inventions promptly
- Maintain confidentiality prior to filing
- Avoid unauthorised publication or disclosure
- Assign rights to the institution where applicable

Failure to comply may lead to withdrawal of support or disciplinary action.

11. Relationship with Publications

- Publication of research findings shall be permitted only after necessary IPR protection is secured or waived
- Faculty and students shall coordinate with the IPR Cell before submission of patent-related research for publication

This ensures protection of novelty and institutional interest.

12. Sponsored Research and Consultancy

- IPR arising from sponsored research or consultancy shall be governed by contractual agreements
- Institutional approval is mandatory before accepting IPR-related clauses in agreements

13. Dispute Resolution

Any dispute relating to ownership, inventorship, or revenue sharing shall be:

- Examined by the IPR / Research Committee
- Decided by the Principal in consultation with Management, where required

The decision shall be final and binding.

14. Confidentiality

All disclosures, evaluations, and proceedings under this policy shall be treated as confidential unless disclosure is required for legal or commercial reasons.

Policy on Incubation and Start-up Support Policy

HR Policy No.: KEC-C04**Effective Date: 01.04.2026**

1. Purpose

Kongu Engineering College promotes innovation, entrepreneurship, and technology-based venture creation among students, faculty, alumni, and researchers. The purpose of this policy is to provide a structured framework for incubation, start-up support, mentoring, funding facilitation, and commercialisation of innovative ideas originating within the institution.

2. Scope and Applicability

This policy applies to:

- Students of all programmes
- Faculty members and research scholars
- Alumni entrepreneurs, where permitted
- Start-ups incubated or supported through KEC facilities

The policy governs activities carried out under:

- Technology Business Incubator (TBI)
- Innovation and Entrepreneurship Forum (KEC-IEF)
- Institution Innovation Council (IIC)
- Approved incubation and start-up support initiatives

3. Objectives

The objectives of incubation and start-up support at KEC are to:

- Encourage innovation and problem-solving
- Support conversion of ideas into viable products or services
- Promote entrepreneurship and self-employment
- Facilitate technology transfer and commercialisation
- Strengthen industry and startup ecosystem linkages

4. Governance and Institutional Framework

Incubation and start-up activities shall function under a defined governance structure:

- The Technology Business Incubator (TBI) shall act as the primary incubation arm of the institution.
- The Innovation and Entrepreneurship Forum (KEC-IEF) shall promote innovation awareness, ideation, and pre-incubation activities.
- The Research Committee / R&D Cell shall ensure alignment with research, IPR, and innovation policies.

- The Principal shall be the final approving and oversight authority for incubation, funding support, and institutional commitments.

This structure ensures coordinated execution with central oversight.

5. Eligibility for Incubation and Support

Incubation and start-up support may be extended to:

- Student-led start-ups
- Faculty-led or faculty-guided start-ups
- Joint student-faculty ventures
- Alumni-led start-ups, subject to institutional approval

Eligibility shall be based on:

- Innovation potential
- Feasibility and scalability
- Alignment with institutional priorities
- Compliance with ethical and legal norms

6. Nature of Support Provided

The institution may provide one or more of the following support mechanisms:

- Physical infrastructure such as workspace, laboratories, and shared facilities
- Mentoring and technical guidance
- Business and financial advisory support
- Access to institutional equipment and resources
- Facilitation of external funding, grants, and schemes
- Networking with industry, investors, and ecosystem partners

Support shall be subject to availability and approval.

7. Funding and Financial Support

- Funding support may be provided through institutional funds, government schemes, or external agencies
- Seed funding, grants, or soft loans shall be governed by approved norms and availability
- Financial support shall be milestone-linked wherever applicable

The institution does not guarantee commercial success or continued funding.

8. Intellectual Property and Ownership

- Intellectual property arising from incubated activities shall be governed by the KEC Intellectual Property Rights (IPR) Policy

- Ownership, revenue sharing, and commercialisation terms shall be clearly defined prior to incubation support
- Start-ups shall comply with confidentiality and disclosure requirements

9. Roles and Responsibilities

Incubatees

- Use institutional facilities responsibly
- Maintain transparency and ethical conduct
- Comply with reporting and review requirements

Institution

- Provide approved support and infrastructure
- Monitor progress and compliance
- Protect institutional and stakeholder interests

10. Monitoring, Review, and Exit

- Incubated start-ups shall be reviewed periodically based on defined milestones
- The institution reserves the right to:
 - Continue support
 - Modify support terms
 - Exit or terminate incubation in case of non-performance or non-compliance

Exit conditions shall be documented clearly.

Policy on Industry Collaboration and MoU HR Policy No.: KEC-C05
Governance

Effective Date: 01.04.2026

1. Purpose

Kongu Engineering College actively promotes collaboration with industry to enhance academic relevance, research impact, student employability, and institutional reputation.

The purpose of this policy is to establish a structured framework for initiating, approving, implementing, monitoring, and governing industry collaborations and Memoranda of Understanding (MoUs), ensuring alignment with institutional objectives and regulatory expectations.

2. Scope and Applicability

This policy applies to:

- All academic and administrative departments
- Faculty members and institutional units engaging with industry
- All industry partners, organisations, and agencies entering into MoUs with KEC

It covers:

- Academic and research collaborations
- Sponsored projects and funded programmes
- Industry-supported laboratories and centres
- Training, internships, and placement-related collaborations
- Consultancy and knowledge transfer activities

3. Guiding Principles

Industry collaborations at KEC shall be guided by:

- Mutual benefit and transparency
- Academic independence and integrity
- Compliance with statutory and accreditation requirements
- Long-term value creation rather than transactional engagement
- Protection of institutional and stakeholder interests

4. Governance and Authority

Industry collaboration activities shall function under a defined governance structure:

- Department-level Initiation
Departments may initiate collaboration proposals aligned with academic or research objectives.

- Industry Interaction / Research / Placement Units
Relevant institutional cells shall evaluate proposals for feasibility, relevance, and compliance.
- Principal
The Principal shall be the final approving authority for:
 - Signing of MoUs
 - Approval of industry-funded laboratories and centres
 - Endorsement of sponsored projects and strategic collaborations

No MoU or collaboration shall be valid without approval from the Principal.

5. Types of Industry Collaborations

KEC may enter into collaborations including, but not limited to:

- Academic curriculum support and co-design
- Student internships, projects, and training programmes
- Sponsored research and consultancy
- Joint laboratories, centres of excellence, or skill centres
- Faculty development and expert exchange
- Start-up and incubation partnerships

6. Memorandum of Understanding (MoU) Framework

All industry collaborations shall be governed through a formal MoU.

Each MoU shall clearly specify:

- Objectives and scope of collaboration
- Roles and responsibilities of both parties
- Duration and validity period
- Financial and non-financial commitments
- Intellectual Property Rights and confidentiality
- Termination and exit clauses

Standardised MoU formats approved by the institution shall be used.

7. Approval and Execution of MoUs

- All MoUs shall be routed through the designated institutional authority
- Legal, financial, and academic implications shall be reviewed before approval
- MoUs shall be signed only by authorised signatories on behalf of KEC

Unauthorised or informal agreements shall not be recognised.

8. Implementation and Monitoring

- Departments shall be responsible for implementing approved collaborations
- Periodic review of MoU outcomes shall be carried out
- Deliverables such as internships, projects, training programmes, or research outputs shall be tracked

Inactive or non-performing MoUs may be reviewed or discontinued.

9. Intellectual Property and Confidentiality

- Intellectual Property arising from collaborations shall be governed by the KEC IPR and Patents Policy
- Confidential information shared under collaborations shall be protected as per agreed terms

No publication or disclosure shall be made without necessary approvals.

10. Financial Governance

- Financial commitments, if any, shall follow institutional financial rules
- Revenue sharing, cost recovery, or funding arrangements shall be explicitly defined in the MoU
- No department shall commit financial obligations without approval

11. Termination and Exit

MoUs may be terminated:

- Upon completion of agreed objectives
- By mutual consent
- In case of non-compliance or reputational risk

Exit terms shall be followed as specified in the MoU.

12. Documentation and Record Keeping

- All MoUs and collaboration records shall be maintained centrally
- Validity periods, outcomes, and renewals shall be tracked
- Records shall be preserved for audit, accreditation, and reporting purposes

SECTION D – ADMINISTRATIVE AND CAMPUS GOVERNANCE POLICIES

Policy on Governance Structure and Committees

HR Policy No.: KEC-D01**Effective Date: 01.04.2026**

1. Policy Objective

1. Purpose

Kongu Engineering College follows a participative and committee-driven governance model to ensure effective academic administration, institutional quality, regulatory compliance, student welfare, research excellence, and campus safety.

The purpose of this policy is to:

- Define the governance framework through statutory and functional committees
- Clarify roles, authority, and accountability of committees
- Ensure transparency, collective decision-making, and institutional continuity
- Avoid concentration of authority and promote participative governance

2. Scope and Applicability

This policy applies to:

- All statutory, academic, administrative, and functional committees of KEC
- Faculty members, staff, students, and external members nominated to committees
- All governance-related decisions taken through committee mechanisms

This policy governs how committees function, not their day-to-day operational SOPs.

3. Governance Philosophy

The governance structure at KEC is based on the following principles:

- Academic autonomy with institutional accountability
- Participative decision-making
- Clearly defined authority and responsibility
- Compliance with statutory and accreditation requirements
- Transparency, documentation, and traceability

Committees act as recommendatory, monitoring, or implementing bodies, as defined.

4. Classification of Committees

KEC committees are broadly classified into the following categories:

1. Anti-Ragging Cell:**Functions:**

- Ensure implementation of anti-ragging policies and guidelines
- Conduct awareness programs for students and staff
- Maintain confidentiality of complainants
- Promote counseling services for victims and accused students
- Maintain proper documentation of complaints, inquiries, and actions taken

2. Grievances Redressal Committee:**Functions:**

- Review complaints carefully and verify facts through proper inquiry
- Suggest corrective measures and ensure timely redressal of grievances
- Maintain impartiality and confidentiality during the investigation process
- Keep proper documentation of complaints received, actions taken, and outcomes

3. Grievances Redressal and Empowerment Committee for SC/ST students and Employees:

Functions:

- Ensure timely and fair redressal of grievances
- Ensure equal opportunities in academics, employment, promotions, and other activities
- Promote social inclusion, equality, and empowerment of SC/ST members
- Recommend disciplinary or corrective action against those found guilty
- Facilitate access to scholarships, fellowships, and welfare schemes

4. Internal Complaints Committee / Anti-sexual Harassment Cell:

Functions:

- Accept written complaints of sexual harassment from women employees or students
- Provide assistance in filing complaints where necessary
- Conduct a fair, impartial, and confidential inquiry
- Organize awareness programs, workshops, and orientation sessions
- Provide support and guidance to the complainant during the process

5. IQAC, Accreditation and Academic Audit Committee:**Functions:**

- Develop and implement quality benchmarks in academic and administrative activities
- Review teaching–learning processes
- Encourage innovative teaching methods and use of ICT
- Collect and analyse feedback from students, parents, alumni, and employers
- Encourage research, consultancy, and extension activities

6. Students Counselling Cell:**Functions:**

- Provide guidance for emotional, psychological, and personal issues
- Help students manage stress, anxiety, depression, and adjustment problems
- Assist students in improving study skills and time management
- Organize workshops on stress management, life skills, and mental health awareness

- Maintain strict confidentiality of counseling sessions and student records
- Help faculty understand student behavioural and emotional concerns

7. Industry Institute Partnership Cell

Functions:

- Establish MoUs with industries and companies
- Invite industry experts for interaction
- Organize certification courses in collaboration with industries
- Promote funded projects and sponsored research
- Encourage start-ups and innovation

8. Research & IPR

Functions:

- Encourage faculty and students to undertake research projects
- Motivate publication of research papers in reputed journals
- Identify funding agencies like University Grants Commission (UGC), AICTE, DST, etc.
- Assist in preparing and submitting research proposals
- Guide faculty in applying for grants and fellowships
- Ensure publications follow ethical standards

9. ERP & Media Cell**Functions:**

- Maintain student records (admissions, attendance, marks)
- Provide online access to students and parents
- Provide training to faculty, staff, and students
- Generate consolidated reports

10. Media Cell:**Functions:**

- Maintain relationship with print and electronic media
- Share achievements, events, and announcements
- Update institutional website regularly
- Coordinate with newspapers, TV channels, and online media

6. Roles and Responsibilities of Committees

Committees shall:

- Operate within their defined scope and mandate
- Meet periodically as required
- Record minutes and action points
- Submit recommendations, reports, or compliance documents

Committees do not replace executive authority unless explicitly empowered.

7. Authority and Decision-Making

- Committees function primarily in a recommendatory and monitoring capacity
- Final approval authority for institutional decisions rests with:
 - Principal, or
 - Management / Governing Body, as applicable

No committee shall independently commit the institution financially, legally, or contractually without approval.

8. Term of Committees and Membership

- Committees shall be constituted for a defined or ongoing term
- Membership may be reviewed, rotated, or reconstituted as required

- Continuity shall be ensured to maintain institutional memory

9. Documentation and Record-Keeping

Each committee shall:

- Maintain records of meetings, decisions, and actions
- Preserve documentation for audit, accreditation, and inspection purposes
- Submit reports to the designated authority when required

10. Coordination Among Committees

- Committees shall coordinate with each other to avoid overlap or duplication
- Cross-referencing of policies and recommendations is encouraged
- The Institutional Policy Document Committee ensures alignment across policies

11. Accountability and Ethics

Committee members shall:

- Act in the best interest of the institution
- Maintain confidentiality where required
- Avoid conflict of interest
- Uphold ethical and professional standards

Misuse of committee authority shall attract corrective action.

Policy on Document Control and Record Management **HR Policy No.: KEC-D02**

Effective Date: 01.04.2026

1. Policy Objective**1. Purpose**

Kongu Engineering College recognises that systematic document control and effective record management are essential for governance, academic quality, compliance, and institutional memory. This policy establishes a structured framework for creation, control, storage, retrieval, retention, and disposal of institutional documents and records.

The policy aims to:

- Ensure accuracy, consistency, and authenticity of institutional documents
- Protect records from loss, misuse, or unauthorised access
- Support audits, accreditation, legal compliance, and decision-making
- Enable efficient retrieval and long-term preservation of records

2. Scope and Applicability

This policy applies to:

- All academic, administrative, research, and student-related records
- All documents created, received, or maintained by KEC
- Physical and electronic records

It applies to all faculty, staff, committees, and units of the institution.

3. Definitions

For the purpose of this policy:

- **Document** refers to any policy, guideline, circular, SOP, form, manual, or official communication approved for institutional use.
- **Record** refers to any evidence of activity or decision, such as minutes, reports, registers, files, data sets, or correspondence.
- **Controlled Document** refers to an approved document subject to version control and authorised distribution.
- **Record Owner** refers to the department or authority responsible for maintaining a record.

4. Document Creation and Approval

- All institutional documents shall be created using approved formats and templates
- Each document shall clearly mention:
 - Title

- Policy or document code
- Version number
- Effective date
- Approval authority
- Documents shall be reviewed and approved by the competent authority before release
- Draft or unapproved documents shall not be used for official purposes

5. Document Control and Version Management

- Only the latest approved version of a document shall be valid for use
- All controlled documents shall follow systematic version numbering
- Revisions shall clearly indicate changes made
- Superseded documents shall be archived and marked accordingly

Unauthorised alteration or circulation of documents is prohibited.

6. Distribution and Access Control

- Controlled documents shall be distributed through authorised channels only
- Access to sensitive or confidential documents shall be restricted
- Users shall ensure they are referring to the current version of documents

7. Record Creation and Maintenance

- Records shall be created contemporaneously with activities or decisions
- Records shall be accurate, complete, and legible
- Each record shall be assigned a clear owner and retention category

Departments shall ensure records are maintained systematically.

8. Record Storage and Protection

Records shall be stored:

- In secure physical storage with controlled access, or
- In secure digital repositories with appropriate access controls

Measures shall be taken to:

- Prevent damage, loss, or unauthorised access
- Protect confidentiality and data integrity

9. Record Retention and Preservation

- Records shall be retained as per approved retention schedules
- Critical records shall be preserved permanently or for extended periods

- Retention periods shall consider legal, academic, audit, and accreditation requirements

No record shall be destroyed without authorisation.

10. Record Retrieval and Use

- Records shall be retrievable within a reasonable timeframe
- Access shall be provided only to authorised personnel
- Records shall be used responsibly and for legitimate purposes only

11. Disposal and Destruction of Records

- Records eligible for disposal shall be identified periodically
- Disposal shall be authorised by the competent authority
- Sensitive records shall be destroyed securely to prevent misuse

A record of disposed documents shall be maintained.

12. Digital Records and Data Management

- Electronic records shall follow institutional data security practices
- Backup and recovery mechanisms shall be implemented
- Digital records shall be protected from unauthorised modification or deletion

13. Responsibilities

Institutional Responsibilities

- Establish and maintain document control systems
- Ensure compliance with this policy

Department Responsibilities

- Maintain records under their custody
- Ensure accuracy, security, and timely updating

Employee Responsibilities

- Follow document control procedures
- Protect institutional records and information

14. Non-Compliance

Failure to comply with this policy may result in:

- Audit observations
- Corrective actions
- Disciplinary action as per applicable policies

Policy on Purchase and Procurement

HR Policy No.: KEC-D03**Effective Date: 01.04.2026**

1. Policy Objective

The objective of this policy is to establish a transparent, economical, fair, and accountable procurement system at Kongu Engineering College (KEC) for the acquisition of goods, services, works, and facilities, ensuring:

- Optimal utilization of institutional funds
- Compliance with approved financial authority limits
- Fair competition and ethical vendor engagement
- Timely availability of quality goods and services
- Auditability and statutory compliance

2. Scope & Applicability

This policy applies to:

- All purchases of equipment, laboratory items, IT assets, furniture, consumables, books, journals, software, and services
- All works and services including AMC, maintenance, consultancy, and outsourcing
- All academic departments, centres, cells, hostels, and administrative units
- All funding sources including institutional funds, project grants, consultancy funds, and sponsored funds (unless governed by stricter sponsor norms)

This policy applies to capital expenditure and revenue expenditure.

3. Governance & Authority**3.1 Institutional Authority**

- The Trust / The Principal is the apex authority for procurement approval and policy enforcement.
- Financial powers shall be exercised strictly within approved delegation of authority.

3.2 Departmental Responsibility

- Heads of Departments / Section Heads are responsible for:
 - Justification of need
 - Technical specification accuracy
 - Budget availability confirmation
 - Post-procurement utilisation

4. Policy Statements

- Procurement shall follow approved procedures.
- Conflict of interest is prohibited.
- Value for money shall be ensured.

5. Process / Implementation

- All procurements shall receive written approval from the competent authority prior to order placement.
- Purchase Orders (POs) shall clearly specify:
 - Item description
 - Quantity and price
 - Delivery schedule
 - Payment terms
 - Warranty and service conditions

Verbal approvals shall have no procurement or financial validity.

- Goods received shall be inspected for quantity, quality and specification compliance.
- Departments shall certify satisfactory receipt before payment processing.
- Rejected or defective items shall be returned or replaced as per agreed terms.

6. Emergency Procurement

- Emergency procurement may be undertaken to address:
 - Safety hazards
 - Breakdown of critical infrastructure
 - Academic or examination exigencies
- Such procurements shall be:
 - Properly justified
 - Documented retrospectively
 - Ratified by the competent authority

7. Records, Documentation and Audit

- Complete procurement records including indents, quotations, approvals, POs, invoices and inspection reports shall be maintained.
- Records shall be retained as per institutional record retention policy.
- Procurement activities shall be subject to internal and external audit.
- Indents, quotations and approvals shall be documented.

- Vendor selection shall be transparent.

8. Compliance, Monitoring & Action

- Faculty and staff involved in procurement shall disclose any actual or potential conflict of interest.
- Acceptance of gifts, commissions, or inducements from vendors is strictly prohibited.
- Any attempt to influence procurement decisions shall be treated as misconduct.
- Deviations from approved procurement procedures shall be viewed seriously.
- Irregularities may result in:
 - Cancellation of procurement
 - Recovery of financial loss
 - Disciplinary action against responsible officials
- Repeated deviations shall trigger process review and corrective action.

Policy on IT and Data Security

HR Policy No.: KEC-D04**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College relies extensively on information technology systems to support academic delivery, administration, research, student services, and institutional governance. This policy establishes a framework to ensure the confidentiality, integrity, and availability of institutional IT systems and data.

The policy aims to:

- Protect institutional, academic, and personal data
- Ensure secure and responsible use of IT resources
- Minimise risks related to data loss, misuse, or unauthorised access
- Support compliance, audit, and accreditation requirements

2. Scope and Applicability

This policy applies to:

- All faculty, staff, students, and authorised users
- All IT systems, applications, networks, and devices owned or managed by KEC
- All institutional data in physical or electronic form

The policy applies to on-campus, remote, and cloud-based access to institutional systems.

3. IT Assets and Systems Covered

This policy covers, but is not limited to:

- Computers, servers, and network infrastructure
- Institutional software, ERP, LMS, email, and databases
- Internet, Wi-Fi, and communication systems
- Data storage devices and backup systems

4. Data Classification

Institutional data shall be classified for protection purposes as:

- **Confidential Data:** Sensitive personal, academic, financial, or examination-related data
- **Internal Data:** Data meant for internal institutional use
- **Public Data:** Information approved for public access

Access and security controls shall be applied based on data classification.

5. Access Control and User Responsibility

- Access to IT systems and data shall be granted strictly on a need-to-know basis
- Users shall be assigned unique user IDs and credentials
- Sharing of passwords or access credentials is strictly prohibited

Users are responsible for all activities performed using their credentials.s

6. Acceptable Use of IT Resources

Users shall:

- Use institutional IT resources only for authorised academic or administrative purposes
- Follow institutional policies and lawful instructions
- Avoid activities that disrupt systems or compromise security

The following are strictly prohibited:

- Unauthorised access or attempts to bypass security controls
- Installation of unauthorised software
- Use of IT resources for illegal, unethical, or personal commercial activities

7. Data Protection and Confidentiality

- Confidential and sensitive data shall be handled with utmost care
- Data shall not be copied, transferred, or disclosed without authorisation
- Users shall ensure that data is accessed and stored only through approved systems

Data confidentiality obligations continue even after separation from the institution.

8. Network and Internet Security

- Network access shall be monitored and controlled
- Firewalls, antivirus, and security tools shall be deployed as required
- Users shall not connect unauthorised devices to the institutional network

Suspicious activity shall be reported immediately to the designated IT authority.

9. Backup and Recovery

- Critical institutional data shall be backed up periodically
- Backup mechanisms shall ensure data recovery in case of system failure or incidents
- Restoration procedures shall be tested periodically

10. Incident Reporting and Management

- Any IT security incident, data breach, or suspected misuse shall be reported promptly
- The IT team shall assess, contain, and resolve incidents
- Corrective and preventive measures shall be implemented

Failure to report incidents may attract disciplinary action.

11. Use of Personal Devices and External Storage

- Use of personal devices for accessing institutional data shall follow approved norms
- External storage devices shall be used cautiously and only when authorised
- Sensitive data shall not be stored on personal devices without approval

12. Data Retention and Disposal

- Data shall be retained as per approved retention schedules
- Obsolete or redundant data shall be securely deleted or destroyed
- Disposal shall ensure that data cannot be recovered or misused

13. Roles and Responsibilities

Institution

- Provide secure IT infrastructure and systems
- Define and enforce IT security controls

IT Function

- Monitor systems and network security
- Implement security updates and controls
- Respond to incidents and vulnerabilities

Users

- Comply with this policy and related guidelines
- Protect access credentials and data
- Report security incidents promptly

14. Non-Compliance

Violation of this policy may result in:

- Restriction or withdrawal of IT access
- Disciplinary action as per applicable policies
- Legal action, where applicable

Policy on Asset and Laboratory Equipment Management

HR Policy No.: KEC-D05**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College recognises that effective management of institutional assets and laboratory equipment is essential for academic quality, research excellence, safety, and financial accountability. This policy establishes a structured framework for the procurement, utilisation, maintenance, verification, and disposal of institutional assets and laboratory equipment.

The policy aims to:

- Ensure optimal utilisation of assets
- Protect institutional investments
- Maintain accuracy of asset records
- Support teaching, research, accreditation, and audit requirements

2. Scope and Applicability

This policy applies to:

- All movable and immovable assets owned by KEC
- Laboratory equipment, tools, instruments, and machinery
- Assets procured through institutional funds, grants, or sponsored projects

It applies to all departments, laboratories, centres, and units of the institution.

3. Classification of Assets

Assets shall be classified as:

- **Fixed Assets:** Buildings, infrastructure, major equipment, and installations
- **Movable Assets:** Laboratory instruments, computers, furniture, and tools
- **Consumables:** Items with limited usable life used in labs or operations

Each category shall follow appropriate control and record-keeping procedures.

4. Procurement of Assets and Equipment

- All asset and equipment procurement shall follow approved institutional procedures
- Technical specifications shall be finalised by the concerned department or laboratory
- Procurement shall be based on:
 - Academic and research requirements
 - Budgetary approval
 - Quality and safety considerations

Unauthorised procurement is strictly prohibited.

5. Receipt, Installation, and Commissioning

- All assets and equipment shall be verified upon receipt
- Installation and commissioning shall be carried out as per manufacturer guidelines
- Equipment shall be made operational only after proper inspection and documentation

6. Asset Identification and Record Management

- Each asset shall be uniquely identified and tagged
- Asset details shall be recorded in the institutional asset register, including:
 - Description and location
 - Date of purchase
 - Cost and funding source
 - Custodian or user department

Records shall be updated whenever assets are moved, upgraded, or disposed.

7. Custody and Responsibility

- Heads of Departments / Lab In-charges shall be custodians of assets under their control
- Users shall handle equipment responsibly and report issues promptly
- Assets shall not be transferred or loaned without authorisation

8. Operation and Usage of Laboratory Equipment

- Equipment shall be operated only by trained or authorised personnel
- Standard operating procedures and safety guidelines shall be followed
- Students shall use equipment under supervision, wherever required

Misuse or negligence shall attract corrective or disciplinary action.

9. Maintenance and Calibration

- Preventive and corrective maintenance schedules shall be established
- Calibration of equipment shall be carried out as per standards
- Maintenance records shall be maintained for each major equipment

Proper maintenance ensures safety, accuracy, and longevity.

10. Verification and Physical Audit

- Periodic physical verification of assets shall be conducted
- Discrepancies, if any, shall be investigated and reported
- Audit observations shall be addressed promptly

11. Loss, Damage, or Theft

- Any loss, damage, or theft of assets shall be reported immediately
- An inquiry may be conducted to determine responsibility
- Recovery or corrective action shall be taken as per institutional norms

12. Upgradation, Transfer, and Reallocation

- Assets may be upgraded, transferred, or reallocated based on institutional needs
- Such actions shall be properly approved and documented

13. Disposal and Condemnation

- Assets that are obsolete, non-functional, or beyond economical repair shall be identified
- Disposal shall be carried out as per approved procedures
- Condemnation records shall be maintained for audit purposes

14. Assets under Sponsored Projects

- Assets procured under sponsored projects shall follow sponsor guidelines
- Ownership and disposal shall be governed by project terms and institutional approval

15. Safety and Compliance

- Safety norms shall be strictly followed in laboratories and workshops
- Equipment shall comply with applicable safety standards and regulations

16. Roles and Responsibilities**Institution**

- Provide policies, systems, and oversight for asset management

Departments / Labs

- Maintain accurate asset records
- Ensure proper use and upkeep

Users

- Use assets responsibly
- Report issues or damage promptly

17. Non-Compliance

Violation of this policy may result in:

- Recovery of costs
- Disciplinary action
- Audit observations or corrective measures

Policy on Mobile Usage

HR Policy No.: KEC-D06**Effective Date: 01.04.2026**

1. Purpose

Kongu Engineering College recognises mobile communication as a critical enabler for select institutional functions that require continuous external coordination and availability.

The purpose of this policy is to define eligibility, usage conditions, and controls for institution-supported mobile communication facilities, while ensuring cost discipline, data security, and clear distinction between official and personal use.

2. Scope and Applicability

This policy applies only to official mobile numbers issued or designated by Kongu Engineering College for institutional purposes.

Personal mobile numbers of employees shall not be eligible for recharge, reimbursement, or inclusion under this policy.

3. Policy Statement

The College shall provide annual mobile recharge support only for designated college numbers assigned to specific institutional roles where continuous communication is essential for the functioning, safety, placement outcomes, or reputation of the College.

This facility is a role-based institutional support, not an employee entitlement.

4. Eligible Categories

Mobile recharge support shall be extended only to the following categories, subject to approval and assignment of a college number:

4.1 Top Management

Official mobile numbers assigned to:

- Chairman / Correspondent
- Principal
- Director / Deans (where applicable)

These roles require continuous availability for regulatory, academic, and institutional coordination.

4.2 Placement and Career Services Team

Official mobile numbers assigned to:

- Head – Training & Placement
- Placement Officers
- Senior placement coordinators handling corporate relations

This is essential due to continuous engagement with recruiters, alumni, and industry partners.

4.3 Student Safety and Residential Administration

Official mobile numbers assigned to:

- Chief Warden
- Hostel Wardens
- Security Control / Campus Safety Office

These roles require round-the-clock accessibility for emergencies and student welfare.

4.4 Critical Campus Operations (Selective)

Official mobile numbers may be approved for:

- Transport In-charge
- Estate / Maintenance Head
- Medical Centre / Emergency Desk

Only where 24x7 operational responsiveness is required.

5. Nature of Mobile Support

The College shall:

- Recharge the official college mobile number once in a year or as decided by management
- Decide the service provider, plan type, and recharge value based on institutional needs
- Retain ownership and control over the mobile number

The plan shall be designed primarily for official communication, not personal usage.

6. Ownership and Control of Mobile Numbers

All mobile numbers covered under this policy are college numbers.

They shall:

- Be registered in the name of Kongu Engineering College
- Be used strictly for official purposes
- Remain the property of the institution

Employees shall not claim ownership or portability rights over such numbers.

7. Usage Guidelines

Employees assigned college numbers shall:

- Use the number only for official communication
- Avoid personal, non-institutional, or commercial use
- Maintain professional communication standards

Any misuse may result in withdrawal of the facility and disciplinary action.

8. Change of Role or Separation

On transfer, role change, or separation from service:

- The mobile number shall be handed back to the institution
- The IT / Admin department shall ensure reassignment or deactivation
- No employee shall retain the college number after exit

The decision of the College in this regard shall be final.

9. Loss or Misuse of SIM

In case of loss of the college SIM:

- The employee shall immediately inform the concerned department
- The number shall be blocked to prevent misuse
- A replacement shall be issued only after due verification

Negligence leading to misuse may attract recovery or disciplinary action.

10. Approval and Administration

- Eligibility and assignment shall be approved by the Principal
- Administration of the policy shall rest with the Administration department
- HR shall maintain the approved list of roles covered under this policy

No deviation shall be permitted without written approval.

Policy on Campus Safety and Emergency Response**HR Policy No.: KEC-D07****Effective Date: 01.04.2026**

1. Policy Objective

The purpose of this policy is to establish a structured framework for preventing safety risks and responding effectively to emergencies.

This policy aims to ensure preparedness, timely response, and coordinated action during emergencies while safeguarding life, property, and institutional continuity.

2. Scope & Applicability

This policy applies to all students, faculty members, non-teaching staff, contract staff, service providers, and visitors within the campus.

The policy is applicable to all academic blocks, laboratories, hostels, residential facilities, administrative offices, transport services, and open campus areas. It also applies during institutional events and activities conducted within or outside the campus.

3. Types of Emergencies Covered

This policy covers, but is not limited to, emergencies such as

- Fire accidents
- Medical emergencies
- Natural disasters
- Electrical hazards
- Chemical or laboratory incidents
- Security threats
- Accidents within campus
- Any situation posing immediate risk to life or property.

4. Campus Safety Governance

Overall responsibility for campus safety rests with the Principal. The institution shall designate a Safety and Emergency Response Committee to coordinate preparedness, response, and review of safety measures.

Specific officers or units such as security services, hostel administration, medical centre, transport department, and maintenance teams shall support emergency response as per their functional roles.

6. Preventive Safety Measures

The institution shall take reasonable steps to prevent safety incidents through regular inspection of infrastructure, maintenance of electrical and fire safety systems, laboratory safety protocols, secure campus access controls, and adequate lighting and surveillance.

Safety signage, emergency contact details, and evacuation instructions shall be displayed at appropriate locations across the campus.

7. Emergency Response Mechanism

In the event of an emergency, the institution shall activate its emergency response mechanism to ensure immediate action, communication, and coordination.

Security personnel, wardens, and designated staff shall assist in evacuation, crowd control, and access to emergency services. External agencies such as fire services, police, and hospitals shall be contacted when required.

8. Medical Emergencies

The institution shall maintain access to basic medical facilities and first-aid services on campus. Ambulance support and tie-ups with nearby hospitals shall be utilised for handling medical emergencies.

Students and staff are expected to promptly report medical emergencies to the designated authorities.

9. Hostel and Residential Safety

Special attention shall be given to safety within hostels and residential facilities. Wardens and hostel staff shall ensure adherence to safety rules, emergency preparedness, and timely response to incidents occurring within residential areas.

Night-time safety, visitor control, and emergency access shall be strictly regulated.

10. Role of Students and Employees

All students and employees shall familiarise themselves with safety instructions, evacuation routes, and emergency contact numbers.

They shall immediately report any unsafe condition, accident, or emergency to the appropriate authority and cooperate with response measures during emergencies.

11. Training and Awareness

The institution shall conduct periodic safety awareness programmes, emergency drills, and orientation sessions to ensure preparedness among students and staff.

Training may include fire drills, first-aid awareness, laboratory safety practices, and emergency evacuation procedures.

12. Communication During Emergencies

During emergencies, official communication shall be issued through designated channels to provide instructions and updates. Stakeholders are expected to follow official instructions and avoid spreading unverified information.

13. Post-Incident Review

After any major incident, the institution shall review the response, identify gaps, and implement corrective measures to strengthen future preparedness.

Incident records shall be maintained for review, audit, and improvement purposes.

14. Compliance, Monitoring & Action

Failure to comply with safety instructions, emergency procedures, or misuse of safety equipment shall be treated seriously and may attract disciplinary action under applicable institutional policies.

Policy on Transport

HR Policy No.: KEC-D08

Effective Date: 01.04.2026

1. Policy Objective

Kongu Engineering College provides transport facilities to support safe, reliable, and timely commuting for students and employees. This policy establishes a structured framework for the operation, usage, safety, and management of institutional transport services.

The policy aims to:

- Ensure safe and disciplined use of transport facilities
- Support academic punctuality and operational efficiency
- Maintain compliance with statutory and safety requirements
- Clarify responsibilities of users and transport authorities

2. Scope & Applicability

This policy applies to:

- All students availing college transport facilities
- Faculty and staff using institutional transport
- Drivers, conductors, and transport support staff
- All vehicles owned, hired, or operated by KEC

The policy applies to daily commute, official travel, and approved institutional activities.

3. Transport Facilities

KEC may provide transport facilities including:

- Bus services for students and staff
- Vehicles for official academic and administrative purposes
- Transport support for approved institutional events

Provision of transport is subject to availability, route feasibility, and institutional norms.

4. Governance and Administration

- Transport operations shall be managed by the designated Transport Committee / Transport Officer
- Routes, schedules, and allocation shall be approved by the competent authority
- The institution reserves the right to modify routes, timings, or services based on operational needs

5. Eligibility and Registration

- Students and employees wishing to use transport facilities shall register as per institutional procedure

- Transport usage may be subject to payment of approved fees
- Allotment of routes and buses shall be based on registered details

Transport facilities are a privilege and not a matter of right.

6. Rules for Students

Students using college transport shall:

- Board and alight only at designated stops
- Carry valid identity cards and transport passes
- Maintain discipline and decorum inside the bus
- Follow instructions of drivers, conductors, and transport staff

The following are prohibited:

- Standing near doors or leaning out of buses
- Damage to vehicle property
- Unauthorised travel or misuse of transport passes

7. Rules for Faculty and Staff

Faculty and staff using transport shall:

- Use transport responsibly and as per approved routes
- Maintain professional conduct
- Avoid interference with transport operations

8. Safety and Compliance

- All vehicles shall comply with Motor Vehicles Act and safety regulations
- Drivers shall possess valid licences and required certifications
- Speed limits and safety norms shall be strictly followed
- Emergency and first-aid provisions shall be maintained in vehicles

Safety violations shall be treated seriously.

9. Attendance and Punctuality

- Transport schedules shall be aligned with academic timings
- Delays due to unforeseen circumstances may occur and shall be communicated where possible
- Repeated lateness or misuse shall attract corrective action

10. Transport for Official Duty

- Vehicles may be allotted for official travel with prior approval
- Usage shall be strictly for authorised institutional purposes
- Logbooks and fuel records shall be maintained

11. Damage, Loss, or Misuse

- Any damage caused intentionally or due to negligence shall be recoverable
- Loss or misuse of transport passes shall be reported immediately
- Disciplinary action may be initiated for repeated violations

12. Suspension or Withdrawal of Facility

The institution reserves the right to:

- Suspend or withdraw transport facility for violation of rules
- Modify transport privileges due to disciplinary or safety concerns

Policy on Accommodation

HR Policy No.: KEC-D09**Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College provides institutional accommodation to support academic, administrative, and operational needs. This policy defines the eligibility, allotment, usage, and management of accommodation facilities owned or managed by the College.

The policy ensures:

- Fair and transparent allocation
- Disciplined and responsible usage
- Protection of institutional assets
- Clarity of roles and responsibilities

2. Scope & Applicability

- Main Guest Houses
- Alumni Guest House
- Staff Quarters
- Student Hostels (10 Blocks)

4. Governance & Authority

- Allocation rests with institutional administration.

5. Eligibility for Accommodation

Eligibility for accommodation shall be determined based on:

- Nature of role and institutional requirement
- Availability of accommodation
- Approval by the competent authority

Key conditions:

- Accommodation is not a matter of right
- Allotment is purely at the discretion of the institution
- Priority may be given to roles requiring on-campus availability

5. Allotment and Occupancy

Accommodation shall be allotted:

- Only through a formal approval process
- For occupation by the authorised allottee and immediate family members, where applicable

The following are strictly prohibited:

- Sub-letting of accommodation
- Sharing with unauthorised persons
- Use of accommodation for commercial or non-residential purposes

7. Maintenance and Utilities

Responsibilities shall be as follows:

- The institution shall specify maintenance responsibilities and service provisions
- Occupants shall report maintenance issues promptly
- Damage due to negligence or misuse shall be recovered from the occupant

Utility charges and other recoveries, if applicable, shall be as decided by management.

8. Safety and Security

Occupants shall:

- Comply with fire, electrical, and general safety guidelines
- Cooperate with security personnel and inspections

The institution reserves the right to:

- Conduct periodic inspections
- Take corrective action to ensure safety and compliance

9. Vacation and Handover of Accommodation

Accommodation shall be vacated:

- On transfer, resignation, retirement, or cessation of eligibility
- When directed by the institution

At the time of handover:

- The premises shall be returned in good condition
- All dues shall be cleared
- Inspection and clearance procedures shall be completed

Failure to vacate within the stipulated time may result in:

- Penal charges
- Disciplinary action
- Recovery as per institutional rules

10. Guest House Usage

Guest house facilities shall be used:

- Only for official visitors or institutional purposes

- Only with prior approval from the competent authority

Conditions include:

- Defined duration of stay
- Compliance with institutional conduct and safety norms

11. Charges and Recoveries

The institution may levy:

- Licence fees
- Utility charges
- Maintenance or service charges

Recoveries may be made through:

- Salary deductions
- Direct payment
- Any other approved mechanism

Non-payment of dues may lead to withdrawal of accommodation or further recovery action.

12. Grievance Redressal

Accommodation-related grievances may be raised:

- With the designated administrative authority

The institution shall:

- Examine grievances fairly
- Provide resolution within a reasonable timeframe

Policy on Environment and Energy Usage

HR Policy No.: KEC-D10**Effective Date: 01.04.2026**

1. Policy Objective

The objective of this policy is to regulate, monitor, and promote responsible energy consumption at Kongu Engineering College (KEC) in order to:

- Improve energy efficiency across campus operations
- Minimise energy wastage and avoid unnecessary consumption
- Support sustainable and cost-effective energy practices
- Complement renewable energy initiatives of the institution

2. Scope & Applicability

This policy applies to:

- All academic, administrative, residential, and support facilities
- All electrical and energy-consuming systems including lighting, HVAC, laboratories, IT infrastructure, hostels, and common areas
- All students, faculty, staff, and service providers using institutional facilities

3. Governance & Authority

- Overall responsibility for energy management rests with the Administration, under the authority of the Principal.
- Departments heads are responsible for implementing energy-efficient practices within their areas of control.
- Maintenance and technical teams shall support monitoring and corrective actions.

4. Policy Statements

- Energy efficiency shall be a mandatory operational practice across the campus.
- Wastage of electricity and other energy resources is strictly prohibited.
- Energy-efficient equipment and systems shall be preferred wherever feasible.
- Users shall switch off lights, fans, air-conditioners, computers, and other equipment when not in use.
- Natural lighting and ventilation shall be utilised to the extent possible.
- Energy efficiency shall be practiced.

5. Process / Implementation

- Energy consumption shall be monitored through appropriate mechanisms such as meters, logs, or periodic assessments.
- Energy-efficient practices may include:

- Use of LED lighting and energy-efficient appliances
- Optimised operating schedules for high-load equipment
- Preventive maintenance of electrical and mechanical systems
- Awareness on responsible energy usage may be promoted through instructions, notices, and periodic communication.

6. Monitoring, Review and Corrective Measures

- Energy usage patterns shall be reviewed periodically to identify areas of excessive consumption or inefficiency.
- Deviations from expected energy usage shall be analysed and corrective measures implemented.
- Upgradation or replacement of inefficient systems may be undertaken where justified

7. Compliance, Monitoring & Action

- Compliance with this policy is mandatory for all users of campus facilities.
- Repeated or deliberate violations may attract administrative action as per institutional rules.
- This policy shall be reviewed periodically to incorporate best practices and evolving energy management standards.

SECTION F – HUMAN RESOURCE POLICIES

Policy on Recruitment and Appointment

HR Policy No.: KEC-E01**Effective Date: 01.04.2026**

1. Policy Objective

The objective of this policy is to ensure that Kongu Engineering College recruits competent, qualified, and committed faculty and staff who can contribute effectively to academic excellence, institutional growth, and student development.

This policy aims to:

- Ensure timely and quality recruitment based on approved manpower requirements
- Attract and select candidates with appropriate academic, professional, and ethical standards
- Provide fair opportunity for internal talent where applicable
- Maintain transparency, consistency, and regulatory compliance in recruitment

2. Scope and Applicability

This policy applies to:

- Teaching faculty (regular, probationary, contractual, visiting, adjunct)
- Non-teaching and administrative staff
- All recruitment carried out under the authority of KEC
- Recruitment for all regular positions shall strictly follow the procedures outlined in this policy.

3. Recruitment Governance and Responsibility

Recruitment and selection shall be jointly managed by:

- The Human Resources / Administration function
- The concerned Department / School
- Key responsibilities:
 - HR shall coordinate sourcing, documentation, compliance, and onboarding
 - Departments shall define academic requirements and participate in selection
- Final approval authority for recruitment shall rest with the Principal / Management, as applicable.

4. Manpower Planning and Approval

- All recruitment shall be undertaken only against approved manpower requirements
- Manpower requirements shall be identified based on:
 - Academic workload

- Student strength
- Accreditation norms
- Institutional expansion plans
- Departments shall submit a Manpower Requisition with justification
- Recruitment shall commence only after approval from the competent authority

5. Job Description and Eligibility

Each position shall have a defined Job Description (JD).

The JD shall specify:

- Qualification and experience requirements
- Academic or functional responsibilities
- Reporting relationships
- Selection shall be governed strictly by the approved JD and eligibility norms.

6. Sources of Recruitment

Recruitment may be carried out through one or more of the following sources:

- Internal Sources
 - Internal movement or role enhancement, where suitable
 - Consideration of existing qualified staff, subject to eligibility
- External Sources
 - Institutional website and official communication channels
 - Job portals and professional networks
 - Recruitment agencies or consultants, where approved
 - Campus recruitment for eligible roles
- All resumes shall be centrally recorded and maintained by HR.

7. Screening and Shortlisting

- HR shall conduct initial screening of applications based on eligibility
- Shortlisted profiles shall be forwarded to the concerned department
- Departments shall provide feedback on shortlisted and rejected profiles
- Shortlisting shall be documented for record and audit purposes.

8. Selection Process

- The selection process may include one or more of the following stages, depending on the role:
 - Preliminary interaction or screening

- Technical / subject interview
 - Teaching demonstration or presentation (for faculty roles)
 - Personal interview
- The interview panel may include:
 - Department representatives
 - Senior faculty / administrators
 - HR representative
- Recommendations shall be recorded using structured evaluation formats.

9. Interview Evaluation and Decision

- Interview panel members shall record evaluations and recommendations
- Selection shall be based on collective assessment and suitability
- A second-choice candidate may be identified as a contingency
- No offer shall be initiated without documented selection approval.

10. Offer of Appointment

- HR shall prepare the offer proposal based on approved norms
- The offer shall clearly specify:
 - Designation and department
 - Compensation and benefits
 - Probation and service conditions
 - Joining date and documentation requirements
- All offers shall be issued only after approval from the competent authority.

11. Reference and Background Verification

- Reference and background verification may be carried out for selected candidates
- Verification may include:
 - Educational qualification verification
 - Previous employment verification
 - Other checks as deemed necessary
- The institution reserves the right to withdraw an offer if verification results are unsatisfactory.

12. Medical Fitness

- Selected candidates may be required to undergo a medical fitness check, where applicable
- Fitness requirements shall be based on institutional norms

13. Joining and Onboarding

- Candidates shall complete joining formalities on the date of joining
- Appointment letters shall be issued after completion of formalities
- Induction and orientation shall be conducted by HR and the department
- The effective date of employment shall be the date of reporting for duty.

14. Documentation and Records

- HR shall maintain a personal file for each employee containing:
- Application and resume
- Selection and evaluation records
- Offer and appointment letters
- Qualification and experience documents
- Joining and induction records
- All records shall be treated as confidential.

15. Misrepresentation

- If at any stage it is found that:
- Information provided is false or misleading, or
- Documents are forged or suppressed
- The appointment shall be liable for cancellation or termination with immediate effect.

Policy on Faculty Promotion and Career Advancement HR Policy No.: KEC-E02

Effective Date: 01.04.2026

1. Policy Objective

Kongu Engineering College believes that faculty growth is essential for sustaining academic quality and institutional excellence.

This policy provides a structured, transparent, and fair framework for faculty promotion and career advancement, based on merit, performance, academic contribution, and institutional needs.

The policy aims to:

- Recognise and reward faculty performance and commitment
- Provide clear career progression pathways
- Encourage continuous improvement in teaching, research, and service
- Ensure consistency and fairness in promotion decisions

2. Scope & Applicability

This policy applies to:

- All teaching faculty of KEC
- Faculty appointed on regular or approved contractual terms, wherever applicable

The policy covers:

- Promotion to higher academic designations
- Career advancement within the same designation, where applicable

3. Guiding Principles

Faculty promotion and career advancement at KEC shall be guided by the following principles:

- Merit and performance-based evaluation
- Compliance with UGC, AICTE, and institutional norms
- Transparency and objectivity in assessment
- Recognition of academic, research, and institutional contributions
- Availability of sanctioned positions and institutional requirements

Promotion shall not be automatic and shall not be claimed as a matter of right.

4. Eligibility for Promotion

A faculty member may be considered for promotion subject to:

- Completion of the minimum service period in the current designation
- Fulfilment of qualification and experience requirements
- Satisfactory performance appraisal records

- Compliance with institutional conduct and service rules

Eligibility does not guarantee promotion.

5. Performance Assessment Criteria

Promotion decisions shall be based on a holistic assessment of the faculty member's contribution, which may include:

a. Teaching and Academic Contribution

- Teaching effectiveness and subject delivery
- Student feedback and academic results
- Curriculum development and academic innovation

b. Research and Professional Contribution

- Research publications and projects
- Patents, consultancy, and funded research
- Participation in conferences, workshops, and FDPs

c. Institutional and Administrative Contribution

- Mentoring and student support
- Departmental and institutional responsibilities
- Contribution to accreditation, quality initiatives, and committees

d. Professional Conduct

- Discipline and adherence to institutional policies
- Ethical and professional behaviour

6. Promotion Process

The promotion process shall follow a structured approach:

- Eligible faculty members may apply or be considered as per institutional process
- Performance records and supporting documents shall be verified
- The designated Promotion / Selection Committee shall evaluate the case
- Recommendations shall be forwarded to the competent authority for approval

All evaluations shall be properly documented.

7. Promotion Committee

The Promotion Committee may include:

- Senior academic members
- Departmental representatives
- External experts, where required

The composition shall ensure fairness, academic credibility, and objectivity.

8. Approval and Effective Date

- Final approval of promotion shall rest with the Principal / Management, as applicable
- Promotions shall take effect from the approved date
- Financial and designation changes shall be implemented accordingly

9. Career Advancement and Development

KEC encourages faculty to prepare for career advancement through:

- Continuous professional development
- Research and publication activities
- Academic leadership roles
- Participation in institutional growth initiatives

Support mechanisms such as training, FDPs, and incentives shall be governed by relevant policies.

10. Non-Selection

- Faculty members who are not promoted may be provided feedback, where feasible
- Non-selection in a given cycle shall not bar future consideration, subject to eligibility

11. Special Provisions

- Accelerated or special promotions, if any, shall be governed by approved institutional norms
- Any relaxation or exception shall require prior approval from the competent authority

Policy on Separation, Resignation and Termination**HR Policy No.: KEC-E03****Effective Date: 01.04.2026**

1. Policy Objective

Kongu Engineering College recognises that separation from service may occur due to various reasons during the course of employment. This policy establishes a structured, transparent, and fair framework for managing employee separation, including resignation, termination, and other forms of exit, while ensuring continuity of academic and administrative operations.

The policy aims to:

- Ensure orderly separation and proper handover
- Protect institutional, academic, and student interests
- Safeguard employee rights through due process
- Maintain clarity on notice periods, responsibilities, and settlements

2. Scope and Applicability

This policy applies to:

- All teaching faculty
- All non-teaching and administrative staff
- Employees on regular, probationary, contractual, or temporary appointments

The policy applies to all forms of separation from service at KEC.

3. Types of Separation

Separation from service may occur under the following categories:

- **Resignation** by the employee
- **Termination** initiated by the institution
- **Non-renewal of contract** upon expiry
- **Retirement** as per institutional norms
- **Separation** due to medical, legal, or other exceptional reasons

Each type shall be governed by the provisions of this policy and applicable service conditions.

4. Resignation by Employee

Employees intending to resign shall:

- Submit a written resignation through proper channel
- Serve the prescribed notice period as mentioned in the appointment order
- Continue to discharge duties responsibly during the notice period

Acceptance of resignation:

- Shall be subject to institutional approval
- May be deferred to ensure academic or administrative continuity

5. Notice Period

- Notice period shall be as specified in the appointment letter or contract
- Salary in lieu of notice may be considered only with approval of the competent authority
- Failure to serve the required notice period may result in:
 - Adjustment against dues
 - Withholding of relieving documents

6. Handover of Responsibilities

Before separation, the employee shall:

- Complete academic, administrative, or functional handover
- Submit all institutional property, records, and documents
- Obtain clearance from all concerned departments

Incomplete handover may delay acceptance of resignation or final settlement.

7. Termination by the Institution

Termination may be initiated by the institution due to:

- Unsatisfactory performance
- Misconduct or violation of institutional policies
- Breach of service conditions
- Administrative or organisational reasons

Termination shall:

- Follow due process and principles of natural justice
- Be communicated formally in writing
- Be implemented as per service rules and applicable laws

8. Separation During Probation or Contract Period

- During probation, services may be discontinued if performance or conduct is unsatisfactory
- Contractual appointments shall automatically cease upon expiry unless renewed
- Non-renewal shall not be construed as termination

9. Final Settlement and Exit Formalities

Upon separation:

- Final settlement shall include salary dues, adjustments, and approved benefits
- Settlement shall be processed after completion of clearance formalities
- Service certificates, relieving letters, and experience certificates shall be issued as per institutional norms

10. Withdrawal of Resignation

- Withdrawal of resignation may be considered only before formal acceptance
- Acceptance of withdrawal shall be at the discretion of the institution

11. Confidentiality and Non-Disclosure

Employees separating from service shall:

- Maintain confidentiality of institutional information
- Avoid unauthorised use or disclosure of data, records, or materials

Confidentiality obligations shall continue after separation.

12. Abandonment of Service

- Absence without authorisation for a prolonged period may be treated as abandonment of service
- The institution may initiate separation proceedings after due notice

Policy on Leave and Attendance

HR Policy No.: KEC-F04

Effective Date: 01.04.2026

1. Policy Objective

The objective of this policy is to define leave entitlements, eligibility conditions, procedures for availing leave, and approval authority for employees of Kongu Engineering College, while ensuring uninterrupted academic and administrative functioning.

Employees are to note that leave is not a matter of right but a privilege, granted subject to institutional requirements and approval.

2. Scope & Applicability

This policy applies to:

- All teaching staff
- All non-teaching and administrative staff
- Confirmed and unconfirmed employees
- Leave availed during academic sessions, vacations, and institutional working days

This policy shall be read in conjunction with:

- Attendance rules
- Biometric regulations
- Discipline and conduct policies
- Payroll and loss of pay provisions

3. Governance & Authority

- The Principal is the final approving authority for all leave categories.
- Heads of Departments and Section Heads are responsible for recommendation and operational control.
- Leave records shall be maintained by [HR / Establishment Section].

4. Policy Statements (Leave Types and Entitlements)**4.1 Casual Leave (CL)**

- All faculty and staff are eligible for 12 days of Casual Leave per academic year.
- Casual Leave is limited to 2 days per month.
- The number of faculty members permitted to avail CL from a department on a single day shall not exceed 20% of the department strength.
- CL must be applied in advance.

4.2 Emergency CL

- In case of emergency, prior intimation through message or phone is permitted; however, confirmation from the Principal in person on the next working day is mandatory.

4.3 Medical Leave (ML)

- Medical Leave shall be granted only on submission of a valid medical certificate.
- ML is admissible only for deserving cases. (Treatment + Recovery)
- Maximum number of ML days permitted is 15 days per year on full pay.

Eligibility:

- Faculty and staff who have completed 3 years of service at KEC.
- ML must be intimated on the day of falling sick.
- A consolidated list of ML availed shall be periodically submitted to the Secretary through the Principal / Correspondent.

4.4 Maternity Leave

- Maternity Leave is admissible as follows:
 - 3 months with full pay for faculty and staff with 5 or more years of service
 - 3 months with half pay for faculty and staff with 3 to 5 years of service
- Maternity Leave is not applicable for employees with less than 3 years of service.
- Beyond 3 months, maternity leave may be granted as Loss of Pay (LoP) up to the beginning of the next academic year.
- Extension beyond this period may result in the employee being relieved from service.
- Maternity leave must be supported by medical documents.

4.5 Vacation Leave

Teaching Staff

Eligible only after completion of one year of service.

Entitlement:

- 2 weeks Winter Vacation
- 3 weeks Summer Vacation

Non-Teaching Staff

Eligible only after completion of one year of service.

Entitlement:

- 1 week Winter Vacation
- 1 week Summer Vacation, or
- 2 weeks cumulative Summer Vacation

Administrative Staff

- Vacation leave shall be sanctioned solely at the discretion of the Principal.
- Employees with less than one year of service are not eligible for vacation leave.
- Vacation leave shall be sanctioned subject to minimum staffing requirements, ensuring:
 - At least 2 faculty members and 2 staff members are present in each department.

4.6 Special Casual Leave (SCL)

Applicable only to faculty members.

Entitlement:

- 7 days per semester
- If SCL exceeds 7 days in a semester, the excess shall be treated as Casual Leave.
- Specific purposes for which SCL is admissible (academic duty, personal exigency, etc.).

4.7 On-Duty (OD) Leave

- OD leave is permitted only for official institutional purposes, including:
 - University duties
 - Institutional representation
 - Approved academic or administrative work
- Applicable to faculty, staff and research scholars.
- OD must be approved in advance and supported with relevant documents.

4.8 Compensation Off (Comp-Off)

- Comp-off is permitted only with approval of the Principal.
- Eligibility:
 - Duty performed on holidays
 - Attendance registered through biometric system
- Comp-off is not applicable for:
 - Shift duties such as Library, Electrical Maintenance, Computer Centre, Kongu CRS (FM), etc.
 - Regular Saturday–Sunday holidays
- Comp-off must be availed within 2 months from the date of eligibility.

4.9 Permission / Biometric Late Punch / Early Punch

- Limited to 2 instances per month for faculty and staff.
- If permissions exceed 2 instances:

- Half-day Casual Leave shall be deducted per excess instance.

4.10 Biometric Missing Punch

- Regularisation of missing biometric punch requires Principal's approval.
- Repeated instances may be treated as attendance irregularity.

4.11 Overtime Allowance

- Overtime allowance is not permitted for non-teaching staff.

5. Process / Implementation

- Leave applications shall be submitted and approved as mentioned below,

- Any leave exceeding or not conforming to the limits specified above shall be:
 - Adjusted against available CL, or
 - Treated as Loss of Pay (LoP) if CL is not available
- Leave availed without approval shall be treated as unauthorised absence and may attract disciplinary action.

6. Compliance, Monitoring & Action

- Excess or habitual leave more than 5 days shall attract corrective action through approval from Correspondent and Principal.
- Leave misuse may result in salary deduction or disciplinary action.
 - Salary deduction
 - Adverse remarks
